Activity: Expert Lecture "Awareness on SSIP & Entrepreneur"

Date: 01/08/2025

No of Student Participated: 105

- The Department of COMPUTER ENGINEERING had organized an Expert Lecture on "Awareness on SSIP & Entrepreneur" for 1ST Semester students. Ms. B. B. Goswami Lecturer from Computer Department, C. U. Shah Polytechnic made aware of how students can become entrepreneur and how government is helping students to establish business to become entrepreneur. Students were also made aware of how to develop POC - Proof of concept to apply for getting scholarship for establishing business. The SSIP for diploma students is designed to provide comprehensive support, from ideation and prototype development to intellectual property protection and early-stage venture establishment, enabling them to become job creators rather than just job seekers. The policy actively promotes students to convert their innovative computer-based projects into viable startups, contributing to job creation and technological advancement.
