Report on Awareness held for “School Students Outreach Program on Student Startup and innovation policy2.0”

An Outreach program on topic “**Student Start Up and Innovation Policy(SSIP2.0)**” was held on 9th March 2023 for students & faculties of D.C.O. Sarvajanic High School, Pardi, Valsad from 11:30 AM to 3:00 PM. The program was held under the banner of GPV- SSIP CELL by Mr. R. M. Pipaliya, Lect. In Mech. Engg.(Co-coordinator of Start-Up and Innovation Policy) and Mr. H. B. Patel,Head of Mechanical Engg, Dept. (Co-ordinator SSIP Committee) under the guidance of Prof. R.R.Shukla (Principal).

The outreach program was conducted for students of standard-9 and Standard-11 by Mr. R. M. Pipaliya and Mr. H. B. Patel (Head Of Mech. Engg. Dept). In his program detailed explanation about start-up, Innovation and Entrepreneurship was given to students. Apart from this how students can take benefits of different Schemes of State Government and Central Government have been explained to students. During session success story of OLA have been shared to students to motivate them and provide inspiration towards Entrepreneurship and Innovation.

In said program 128 Students of Standard-11 and 188 students from standard-9, Total 316 students & 15 Teachers of D. C. O. Sarvajanic School, Pardi have been participated. Students have received very important information regarding importance of Innovation, Entrepreneurship and start-Ups.

At the end of the program interaction session and Question-Answers Session was conducted and Program completed with vote of thanks by Mr. H. B. Patel.
