

## Event Report

**Institution:** Shree M. P. Shah Arts & Science College, Surendranagar

**Event:** Orientation & Sensitization Program for B.A. Students

**Date:** October 09, 2025

**Program Initiative:** Student Startup and Innovation Policy (SSIP 2.0)

As part of the SSIP 2.0 initiative, Shree M. P. Shah Arts & Science College organized a specialized sensitization program specifically for B.A. students. The primary objective was to foster a culture of innovation and provide students with the foundational knowledge required to engage with the Student Startup and Innovation Policy.

### Program Details

- **Topic/Agenda:** Sensitizing students towards innovation and startup opportunities.
- **Target Audience:** B.A. Students.
- **Attendance:** 60 students participated in the session.

### Expert Panel

The program featured insights from a diverse panel of experts:

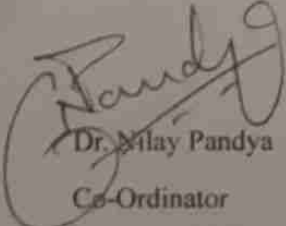

- Dr. Nilay Pandya,
- Dr. P. N. Chavada,
- Dr. J. L. Sachpara
- Dr. D. G. Joshi

### Event Highlights

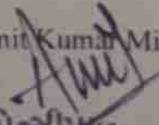

The session was held in a classroom setting, featuring:

- **Interactive Presentations:** Experts engaged with the students to explain the benefits and processes of SSIP 2.0.
- **Practical Context:** Visuals from the event show students actively participating and experts utilizing blackboard demonstrations to simplify complex innovation concepts.
- **Geographical Context:** The event was documented via GPS-enabled photography, confirming its location at the college campus in Surendranagar, Gujarat.

The program successfully reached its target of 60 students, effectively introducing them to the possibilities offered by SSIP 2.0. By connecting students with subject matter experts, the college has taken a proactive step in encouraging scientific innovation and entrepreneurial thinking within the B.A. department.
