## **Introduction of Workshop**

The one-day state-level workshop on “Cyber Security Using Mobile Applications” was organized by C P Patel & F H Shah Commerce College (Autonomous), Anand, under the support of Knowledge Consortium of Gujarat and RUSA Faculty Improvement Scheme. The workshop aimed to create awareness about the growing importance of cyber security in the modern digital era, especially with the increasing use of smartphones and mobile applications.

In today’s technology-driven world, mobile devices have become an integral part of daily life, making users more vulnerable to cyber threats such as hacking, phishing, and data theft. This workshop was designed to educate students and participants about these risks and provide practical knowledge on how to protect personal and sensitive information using secure mobile practices.

The session included expert guidance, real-life case discussions, and demonstrations of various security applications. Participants were introduced to essential topics such as password protection, two-factor authentication, safe usage of apps, and identification of malicious links and fake applications.

Overall, the workshop served as an important platform to enhance digital literacy, promote safe online behavior, and empower participants with the knowledge and confidence required to use mobile technology securely and responsibly.

## **Brief Report**

### **Objectives of the Workshop**

The primary objectives of the workshop were:

- To create awareness about **cyber security threats and challenges** in the digital era
- To educate students about **safe online behaviour**, especially on social media platforms
- To provide **hands-on practical exposure** using mobile applications related to cyber security
- To encourage ethical digital practices and cyber hygiene among students
- To bridge the gap between **theoretical knowledge and real-world cyber investigations**

### **Participants**

The workshop received an overwhelming response with **more than 240 participants**, including students and faculty members from:

- C. P. Patel & F. H. Shah Commerce (Autonomous) College, Anand
- Parul University
- CVM University
- CHARUSAT University
- ITM Vocational University
- Various colleges from Anand and surrounding regions

### **Inaugural Session**

The programme was inaugurated in the august presence of:

- **Dr. B. N. Patel**, Managing Trustee and Secretary, Sardar Patel Education Trust
- **Shri Anveshbhai Patel**, Joint Managing Trustee
- **Dr. Tejal Tanna**, I/C Principal
- **Shri Kartik Dave**, Campus Director
- **Dr. Ankita**, Academic Director
- **Dr. Mansoori**, OSD, SPET

- **Dr N S Patel (HOD)**
- **Shri Himmatbhai Patel**

The dignitaries emphasized the importance of cyber security awareness in today's digitally connected world and motivated students to become responsible digital citizens.

## **Key Note Address**

The key note address is delivered by **Shri Dr B N Patel Managing Trustee & Secretary Sardar Patel Education Trust, Anand**, sir explain about today's digital age, mobile devices have become an inseparable part of our lives. From communication and banking to education and entertainment, almost every aspect of our daily routine depends on smartphones. However, with this increasing dependency comes a significant rise in cyber threats. Cybercrime is no longer limited to large

organizations—it now directly affects individuals, especially mobile users.

He also discuss about workshop highlights a crucial issue how to stay secure in a world where digital risks are constantly evolving. Many users are unaware of the dangers associated with unsafe applications, weak passwords, and unverified links. Through this platform, we aim to bridge that knowledge gap and empower participants with practical skills to protect their personal data.

**Shri Anveshbhai Patel Joint Managing Trustee & Joint Secretary Sardar Patel Education Trust, Anand** enrich the talk about expertise and hands-on practical activities, which provide valuable insights and real-world exposure to all participants. Such initiatives not only enhance technical knowledge but also prepare students to become responsible digital citizens.

**Coordinator Dr Nayan S. Patel HOD BCA, BBA - ITM, PGDCA, M.Sc. (Data Science) & ACRIL Department** address the audience with digital era, mobile devices have become an integral part of our lives. However, with this growing dependence comes an increased risk of cyber threats. This workshop is designed to create awareness and provide practical knowledge about securing personal data through mobile applications.

**Organizing Secretary, Dr. Mitesh M. Patel Asst. Professor BCA, BBA - ITM, PGDCA, M.Sc. (Data Science) & ACRIL Department** give details about the whole workshop and encourage all to actively participate, interact, and make the most of this opportunity. Dr Patel explain workshop is not just about theoretical learning, but also about hands-on practical exposure. Participants will gain

knowledge about password security, two-factor authentication, identifying phishing attacks, and safe usage of mobile applications. Along with the workshop, we have organized engaging events like Code Blast and IT Quiz to encourage technical skills and healthy competition among students.

## Technical Session - I

The technical sessions were conducted by **Shri Nishit Kavane** and **Shri N. A. Rawat**, who are renowned **private detectives, system security advisors, and digital investigators**.

The experts covered topics such as:

- Cyber crimes and emerging cyber threats
- Mobile-based cyber attacks and vulnerabilities
- Safe usage of social media platforms
- Digital footprints and online privacy
- Cyber laws and ethical responsibilities
- Real-life cyber crime case studies

The sessions were highly interactive and supported by **live demonstrations and hands-on practical activities**, which helped participants understand cyber security concepts more effectively.

Practical demonstrations play a vital role in understanding cyber security concepts, especially when it comes to mobile applications. In this workshop, participants were given hands-on exposure to various tools and techniques that help in securing smartphones and protecting personal data from cyber threats.

The workshop also included practical sessions on detecting phishing attacks and fake links. Participants were shown how cybercriminals attempt to trick users through SMS, emails, and social media messages. By analyzing real-life scenarios, they learned how to recognize suspicious links and avoid falling victim to online fraud.

In addition, demonstrations of mobile security applications such as antivirus tools and privacy

protection apps were conducted. Participants explored features like real-time threat detection, app locking, and secure browsing. These tools provided practical solutions for safeguarding sensitive information such as banking details and personal data.

The session began with demonstrations on how to identify unsafe or malicious mobile applications. Participants learned how to check app permissions, verify app authenticity before installation, and understand the risks associated with downloading apps from untrusted sources. This helped them develop awareness about protecting their devices from malware and spyware.

Another important demonstration focused on creating strong passwords and managing them securely. Participants were guided on using password manager applications and enabling features like two-factor authentication (2FA) to add an extra layer of security. Real-time examples showed how weak passwords can be easily compromised and how stronger practices can prevent unauthorized access.

The session also covered safe usage of digital payment applications and social media platforms. Participants were guided on securing their accounts, managing privacy settings, and avoiding risky online behavior. Emphasis was placed on regularly updating applications and operating systems to prevent security vulnerabilities.

Overall, the practical demonstrations enhanced participants' understanding by combining theoretical knowledge with real-world applications. It empowered them with the skills and confidence needed to use mobile devices safely and responsibly in their everyday lives.

## Technical Session - II

### Hands-on Activities

To enhance learning and student engagement, the workshop included:

- **Practical demonstrations using mobile applications**

Hands-on practices in cyber security using mobile applications helped participants learn real-time protection techniques. Participants actively worked on securing apps, setting strong passwords, and identifying cyber threats. The practical session improved awareness and confidence in safe mobile usage.

- **Code Blast Competition**

The Code Blast C Programming Competition encouraged students to showcase their coding and problem-solving skills. Participants solved logical and programming challenges using the C language. The competition promoted accuracy, speed, and efficient coding practices. It helped students strengthen their understanding of core C programming concepts. Code Blast inspired healthy competition and enhanced interest in programming.

- **IT Quiz**

testing participants' knowledge of information technology and cyber security

Students actively participated with great enthusiasm, making the sessions lively and impactful. The IT Quiz Competition tested participants' knowledge of computers, software, and emerging technologies. Students actively participated and answered questions with enthusiasm and confidence. The quiz enhanced awareness of current trends in information technology. It encouraged quick thinking, teamwork, and healthy competition. The event made learning about IT fun, interactive, and engaging.

## Valedictory Session

The Valedictory ceremony was graced by:

- **Shri Rameshbhai Patel**, Joint Secretary, Sardar Patel Education Trust
- **Dr. Mansoori**, OSD, SPET

They appreciated the efforts of the organizing team and encouraged students to apply the knowledge gained during the workshop in their academic and professional lives.

Winners of the events awarded by trophy and certificates.

**Dr Mansuri Sir** address students with his delightful words like In today's fast-paced digital world, mobile technology has become an essential part of our daily lives. However, with convenience comes responsibility. As we have learned throughout this workshop, cyber threats are evolving rapidly, and it is crucial for each one of us to stay informed, alert, and responsible while using digital platforms. Dear students, knowledge is meaningful only when it is applied. I encourage all of you to implement the concepts and techniques you have learned today—whether it is creating strong passwords, enabling two-factor authentication, or identifying suspicious links and applications. These small but important steps can protect you and others from potential cyber risks. This workshop has not only enhanced your technical understanding but has also created awareness about safe digital practices. I hope you will carry this knowledge forward and become responsible digital citizens.

## **Vote of Thanks**

The program came to an end with a formal Vote of Thanks presented by Prof. Bhadresh Jadav. He conveyed his heartfelt appreciation to all the distinguished speakers for their insightful

contributions and for sharing their expertise during the state-level workshop. He also acknowledged the efforts of the organizing team, faculty members, and participants for their enthusiastic participation and support, which played a vital role in the success of the event. Special thanks were extended to the management and the technical staff for their constant assistance and for ensuring the smooth conduct of

the program. The event concluded with the rendition of the National Anthem, instilling a spirit of unity, respect, and patriotism among everyone present.

## About the Seminar

### **Session 1 Seminar (Compulsory for All Register Students)**

- WORKSHOP ON CYBER SECURITY USNIG MOBILE APPLICATIONS

### **Session 2 Events (Any One)**

- CYBER SECURITY USNIG MOBILE APPLICATIONS Hands On Practical
- Code Blast (Group of 02 Students)
- IT Quiz (Group of 02 Students)

#### **Note:**

1. Pre- Session is compulsory for Students
2. From the Post-Session Events Students have to select Any One Only

## Main Objectives of the Seminar

- A workshop on cyber security using mobile applications was conducted to create digital awareness. The session focused on common cyber threats faced by smartphone users.
- Participants learned how mobile apps can be used to protect personal data. Topics included password safety, two-factor authentication, and app permissions.
- Real-life examples of cyber fraud and hacking were discussed. Demonstrations of security apps helped participants understand practical protection methods.
- The workshop explained safe online behavior on social media and payment apps. Users were guided on identifying fake apps and phishing links.
- The session encouraged responsible and secure use of mobile technology.
- Overall, the workshop enhanced awareness and confidence in mobile cyber safety.

## Events

1. **CYBER SECURITY USNIG MOBILE APPLICATIONS Hands On Practical** Hands-on practices in cyber security using mobile applications helped participants learn real-time protection techniques. Participants actively worked on securing apps, setting strong passwords, and identifying cyber threats. The practical session improved awareness and confidence in safe mobile usage.
2. **Code Blast (Group of 02 Students)** The Code Blast C Programming Competition encouraged students to showcase their coding and problem-solving skills. Participants solved logical and programming challenges using the C language. The competition promoted accuracy, speed, and efficient coding practices. It helped students strengthen their understanding of core C programming concepts. Code Blast inspired healthy competition and enhanced interest in programming.
3. **IT Quiz (Group of 02 Students)** The IT Quiz Competition tested participants' knowledge of computers, software, and emerging technologies. Students actively participated and answered questions with enthusiasm and confidence. The quiz enhanced awareness of current trends in information technology. It encouraged quick thinking, teamwork, and healthy competition. The event made learning about IT fun, interactive, and engaging.

### **About Sardar Patel Education Trust**

Sardar Patel Education Trust is one of the reputed and unique institutions in Anand, was established in 1969 to honour the memory of late Sardar Vallabhbhai Patel, 'the great son of the soil'. It came into existence to fulfil the need and the burning desire of the quality education for the town and the surrounding areas. It began with a small step with pre-primary level and reached to its pinnacle by providing the higher level of holistic education. Today, all the institutions of the Trust have shown its development of the highest order and believe in imparting value - based education. The Trust has on its Board prominent personalities from different areas who constantly think, feel and work to bring out the remarkable change among the students and mould them according to the demands of the society. With the help of dedicated team of teachers, and visionary members of Sardar Patel Education Trust, all the educational institutions have shown unbelievable imprints of success and have reached greater heights under their guidance and leadership.

### **About C P Patel & F H Shah Commerce College (Autonomous) Anand**

C P Patel & F H Shah Commerce College (Autonomous) Anand (NAAC Reaccredited CGPA – 3.30, Grade – A+) was established in June 1970 to meet the growing educational needs of the community around Anand. The initiative to start the college was jointly supported by Shri Jashbhai C. Patel of Boriavi and Shri Bhikhubhai F. Shah of Sarsa, whose generous contributions laid its foundation. It is managed by the Sardar Patel Education Trust, Anand under the visionary leadership of the managing trustee and secretary, Shri Dr B N Patel. The college is affiliated with Sardar Patel University, Vallabh Vidyanagar. It is situated on Bhalej Road, one of the fastest developing areas of the Milk City, Anand. The college received its autonomous status in 2023. The campus features modern infrastructure, including well-furnished classrooms, an audio-visual room equipped with advanced teaching aids, a computer centre, and a playground.

### **About Department BCA, BBAITM, PGDCA & M.Sc. (Data Science)**

The Department of BCA, BBA (Information Technology Management), PGDCA, and M.Sc. (Data Science) is committed to providing quality education that integrates computing, management, and data-driven technologies to meet the needs of a rapidly evolving digital world. The BCA program builds a strong foundation in computer applications, programming, software development, databases, and web technologies, preparing students for careers in the IT industry and higher studies. The BBA ITM program combines core business management principles with information technology, enabling students to understand organizational processes, IT-enabled business solutions, and strategic decision-making in technology-driven enterprises. The PGDCA program offers intensive training in computer applications, programming, and system development, making it suitable for graduates seeking advanced technical skills and career growth in the IT sector. The M.Sc. (Data Science) program focuses on advanced concepts such as statistics, machine learning, data analytics, artificial intelligence, and big data technologies, equipping students to analyze and interpret complex data for informed decision-making. The department emphasizes practical learning through modern computer laboratories, industry-oriented projects, internships, workshops, and expert lectures. With experienced faculty, an updated curriculum, and a student-centric approach, the department nurtures technically competent, innovative, and industry-ready professionals.

## **Summery of Workshop**

A one-day state-level workshop on “*Cyber Security Using Mobile Applications*” was successfully organized by the Department of BCA, BBA-ITM, PGDCA, and M.Sc. (Data Science) at C. P. Patel & F. H. Shah Commerce College (Autonomous), Anand. The workshop aimed to create awareness about cyber security and educate participants on safe practices while using mobile devices.

The session began with an inaugural function followed by expert lectures delivered by experienced professionals in the field of cyber security. The speakers provided valuable insights into common cyber threats, including phishing, hacking, and data theft, along with effective preventive measures.

Participants gained practical knowledge on securing mobile applications through techniques such as strong password creation, two-factor authentication, and safe handling of app permissions. Real-life case studies and demonstrations helped enhance their understanding of cyber risks and protection methods.

In addition to the workshop, various engaging activities such as hands-on practical sessions, Code Blast, and IT Quiz were conducted to encourage active participation and skill development among students. These activities promoted teamwork, problem-solving, and technical awareness.

The workshop concluded successfully with a Vote of Thanks and the National Anthem. Overall, the event proved to be highly informative and beneficial, enhancing awareness and confidence among participants regarding cyber security in mobile applications.

## સાયબર સિક્યુરિટી યુઝિંગ મોબાઇલ એપ્લિકેશન - બ્રેઇન ટેક ૨૦૨૬” વિષય પર એક દિવસીય રાજ્ય સ્તર વર્કશોપનું આયોજન કરવામાં આવ્યું.

પ્રાર્થના સંદેશ ન્યૂઝ >> જામનગર

સરદાર પટેલ એજ્યુકેશન ટ્રસ્ટ સંચાલિત સી. પી. પટેલ એન્ડ એફ. એચ. શાહ કોમર્સ (ઓટોનોમસ) કોલેજ, આણંદના બી.સી.એ. બી.બી.એ.-આઈ.ટી.એમ., પી.જી.ડી.સી.એ., એમ.એસસી. (ડેટા સાયન્સ) તથા એકિલ વિભાગ દ્વારા નોલેજ કોન્સોર્ટિયમ ઓફ ગુજરાત (કેસીજી) તથા શિક્ષણ વિભાગ, ગુજરાત સરકારના સહયોગથી "સાયબર સિક્યુરિટી યુઝિંગ મોબાઇલ એપ્લિકેશન - બ્રેઇન ટેક ૨૦૨૬" વિષય પર એક દિવસીય રાજ્ય સ્તર ના વર્કશોપનું આયોજન કરવામાં આવ્યું હતું.

આ વર્કશોપમાં ૨૭૫ કરતાં વધુ વિદ્યાર્થીઓ અને પ્રતિભાગીઓએ ભાગ લીધો હતો. જેમાં પારુલ યુનિવર્સિટી, સી.વી.એમ. યુનિવર્સિટી, ચારુસેટ યુનિવર્સિટી, આઈ.ટી.એમ. વોકેશનલ યુનિવર્સિટી તથા આણંદ આસપાસની વિવિધ કોલેજોના વિદ્યાર્થીઓ સામેલ રહ્યા હતા. વર્કશોપ અંતર્ગત હેન્ડ્સ-ઓન પ્રેક્ટિકલ સેશન સાથે કોડ બ્લાસ્ટ અને આઈ.ટી. ક્વિઝ જેવી રસપ્રદ પ્રવૃત્તિઓનું પણ આયોજન કરવામાં આવ્યું હતું, જેમાં વિદ્યાર્થીઓએ ઉત્સાહપૂર્વક ભાગ લીધો હતો.

કાર્યક્રમને સરદાર પટેલ એજ્યુકેશન ટ્રસ્ટના મેનેજિંગ ટ્રસ્ટી તથા સેક્રેટરી ડૉ. બી. એન. પટેલ, જોઇન્ટ મેનેજિંગ ટ્રસ્ટી શ્રી અન્વેશભાઈ પટેલ, આઈ/સી પ્રિન્સિપલ ડૉ. તેજલ તત્તા, કેમ્પસ ડિરેક્ટર શ્રી કાર્તિક દવે, એકેડેમિક ડિરેક્ટર ડૉ. અંકિતા, એસ.પી.ઈ.ટી.ના ઓએસડી ડૉ. મન્સૂરી તથા શ્રી હિમ્મતભાઈ પટેલની ઉપસ્થિતિ અને આશીર્વાદથી વિશેષ ગૌરવ મળ્યું હતું.

વર્કશોપના ટેકનિકલ સેશનનું સંચાલન શ્રી નિશિત કવાણે અને શ્રી એન. એ. રાવત દ્વારા કરવામાં આવ્યું હતું, જેઓ પ્રસિદ્ધ પ્રાઈવેટ ડિટેક્ટિવ, સિસ્ટમ સિક્યુરિટી એક્વાઈઝર તથા ડિજિટલ ઇન્વેસ્ટિગેટર તરીકે જાણીતા છે. તેમણે સોશિયલ મીડિયા પર સલામત ઓનલાઈન વર્તન, સાયબર ખતરાઓ તથા ડિજિટલ સુરક્ષા અંગે હેન્ડ્સ-ઓન પ્રેક્ટિકલ ડેમો સાથે માર્ગદર્શન આપ્યું હતું.

પ્રોગ્રામની પૂર્ણાવૃત્તિ સમારંભ દરમિયાન ડ.પ.ઈ.ટી. ના જોઇન્ટ સેક્રેટરી શ્રી રમેશભાઈ પટેલ તથા ઓએસડી ડૉ. મન્સૂરી ઉપસ્થિત રહ્યા હતા. આ સમગ્ર કાર્યક્રમનું સફળ સંચાલન ઇવેન્ટ કોઓર્ડિનેટર ડૉ. નયન પટેલ, ઓર્ગનાઈઝિંગ સેક્રેટરી ડૉ. મિતેશ પટેલ, શ્રી ભદ્રેશ જાદવ તથા કમ્પ્યુટર વિભાગના તમામ સ્ટાફ સભ્યોની ટીમ દ્વારા કરવામાં આવ્યું હતું. તમામ સ્ટાફ સભ્યોની મહેનત અને સંકલિત પ્રયાસોથી આ કાર્યક્રમને વિશેષ સફળતા મળી હતી...

આપના વિસ્તારની સમસ્યાઓ, રસ્તા, પાણી, ગટર, લાઈટ વગેરેના પ્રશ્નો, રોજીંદી ઘટનાઓ, સામાજિક પ્રસંગો, ધાર્મિક કાર્યક્રમો, રાજકીય ઘટનાક્રમો તેમજ આપની આસપાસ કંઈક વિશેષ કે નવું બની રહ્યું હોય તો તેની ફોટોગ્રાફ્સ - વિડિઓ સાથે નીચેના વોટ્સએપ નંબર પર મોકલી આપો. જેને "પ્રાર્થના સંદેશ ન્યૂઝ" અખબાર સમાચારમાં યોગ્ય રીતે સ્થાન આપવામાં આવશે... ગુજરાત ફિલ્ડ ઓફિસર - જયદિપ કટારીયા - મો. 9104003152
