Date: 29/11/2025

Venue: Classroom B3, Shreyarth University

Participants: A total of 64 students including students of Shreyarth University and students from other universities.

Resource Person: Mr. Bipin Shah, Adjunct Faculty, Gujarat Maritime University (GMU)

Objective of the Program

The objective of the seminar was to inspire and guide students to pursue entrepreneurship by helping them understand the entrepreneurial mindset, available opportunities, and support mechanisms such as SSIP.

Program Details

The seminar titled “Live Your Entrepreneurial Dream” was a highly engaging three-hour session. It included multiple interactive activities, group discussions, and practical insights related to entrepreneurship. The speaker emphasized idea validation, risk-taking, innovation, and long-term vision. Students were also guided about various funding opportunities available through government schemes, SSIP, and private funding sources.

Outcome of the Program

The seminar was a grand success and received an overwhelming response from participants. Students actively engaged throughout the session and showed strong enthusiasm toward entrepreneurship. Many new students, including participants from other universities, expressed keen interest in joining the SSIP programme at Shreyarth University to avail startup funding and mentorship support.
