Activity 5: Student and SSIP Committee Visit to GUSEC

Date: 20/12/2025

Venue: GUSEC, Gujarat University

Participants: A total of 10 students from Computer Science and Management schools of Shreyarth University.

Accompanying Members: SSIP Committee Members, Shreyarth University

Objective of the Visit

The objective of the visit was to make students aware about Gujarat University Startup and Entrepreneurship Council (GUSEC), its incubation programs, funding opportunities, and startup support schemes.

Visit Details

Students were introduced to the startup ecosystem at GUSEC and were briefed about various incubation and acceleration programs. The process to acquire funding, mentorship, and participation in different schemes under GUSEC was explained in detail.

Outcome of the Visit

The visit was highly informative and interactive. Students actively asked questions regarding the eligibility and application process. Several students expressed interest in directly applying to GUSEC for incubation and funding support.
