

Brief Report on: Faculty Development Program on Innovation & Entrepreneurship - SVNIT

1.	Title	Faculty Development Program on Innovation & Entrepreneurship - SVNIT
2.	Objective of an Event	The objective of the Faculty Development Program on Innovation & Entrepreneurship at SVNIT, initiated by AICTE, is to empower faculty with skills to foster innovation, entrepreneurial mindset, and startup culture.
3.	About an Event	The Faculty Development Program on Innovation & Entrepreneurship at SVNIT, initiated by AICTE, aims to enhance the entrepreneurial mindset and innovation capabilities among faculty members. This intensive program equips educators with tools, methodologies, and best practices to foster startup culture and design thinking in academic institutions. Participants gain insights into policy frameworks, funding avenues, and mentoring strategies to guide students and researchers in converting ideas into viable entrepreneurial ventures.
