

Brief Report On: Harnessing Technologies Through IPRs

1.	Title	Harnessing Technologies Through IPRs
2.	Objective of an Event	The objective of the event "Harnessing Technologies Through IPRs" is to educate FoHS, Pharmacy, and Physiotherapy students on protecting innovations, encouraging tech-based research, and leveraging intellectual property rights effectively.
3.	About an Event	The event " <i>Harnessing Technologies Through IPRs</i> " was organized for students of the Faculty of Health Sciences, including Pharmacy and Physiotherapy disciplines. It focused on building awareness about the role of Intellectual Property Rights (IPRs) in safeguarding health innovations and technological advancements. Students gained insights into patents, copyrights, and trademarks, empowering them to protect their research outcomes and contribute to the innovation ecosystem through knowledge-driven practices.
