Science of Science in Spotlight

An initiative on “Quality and Ethics in the Spotlight”

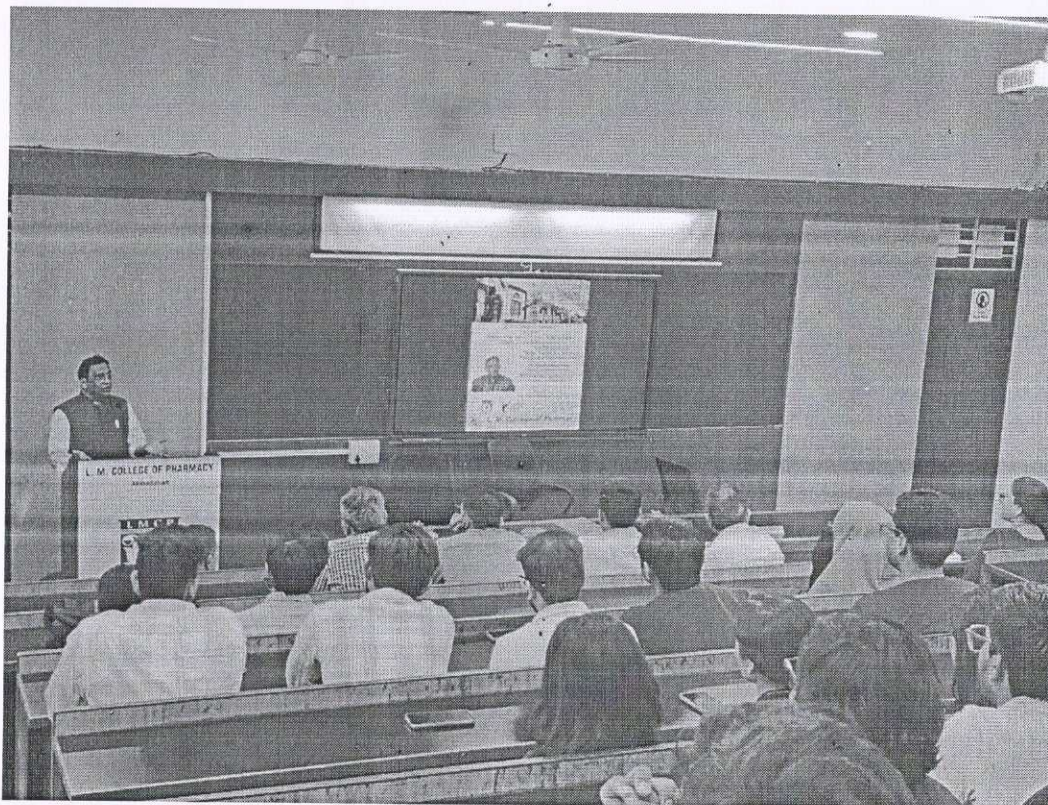

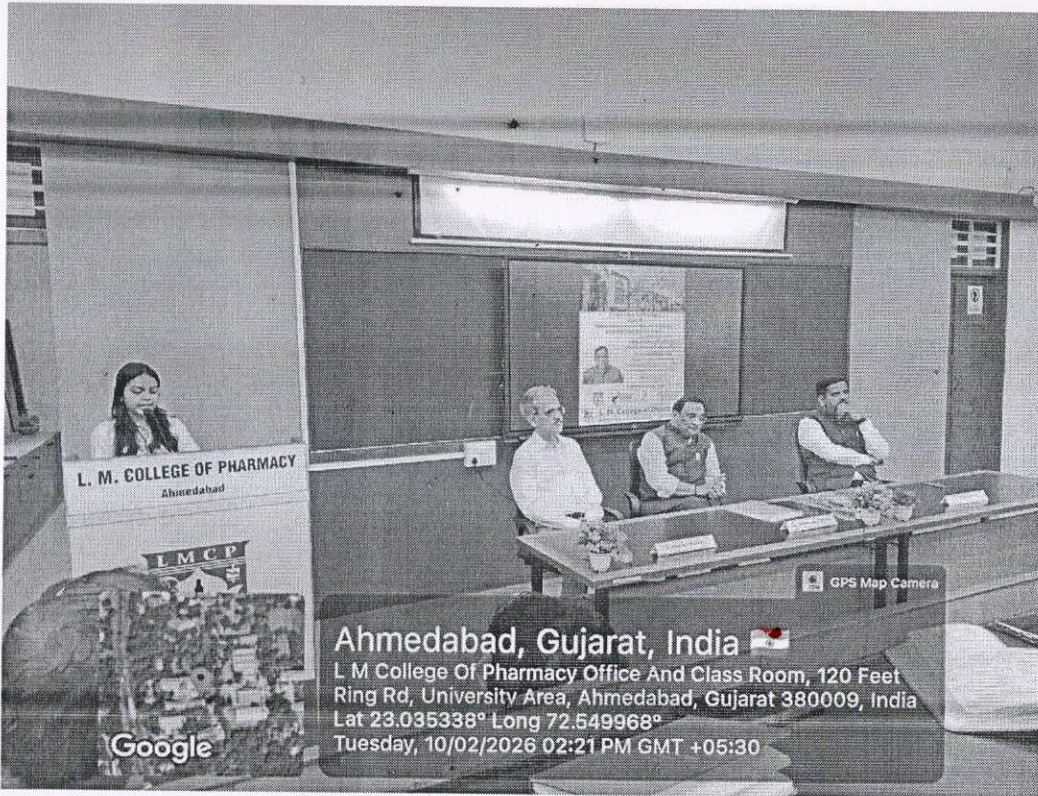

Expert Talk cum Interaction on

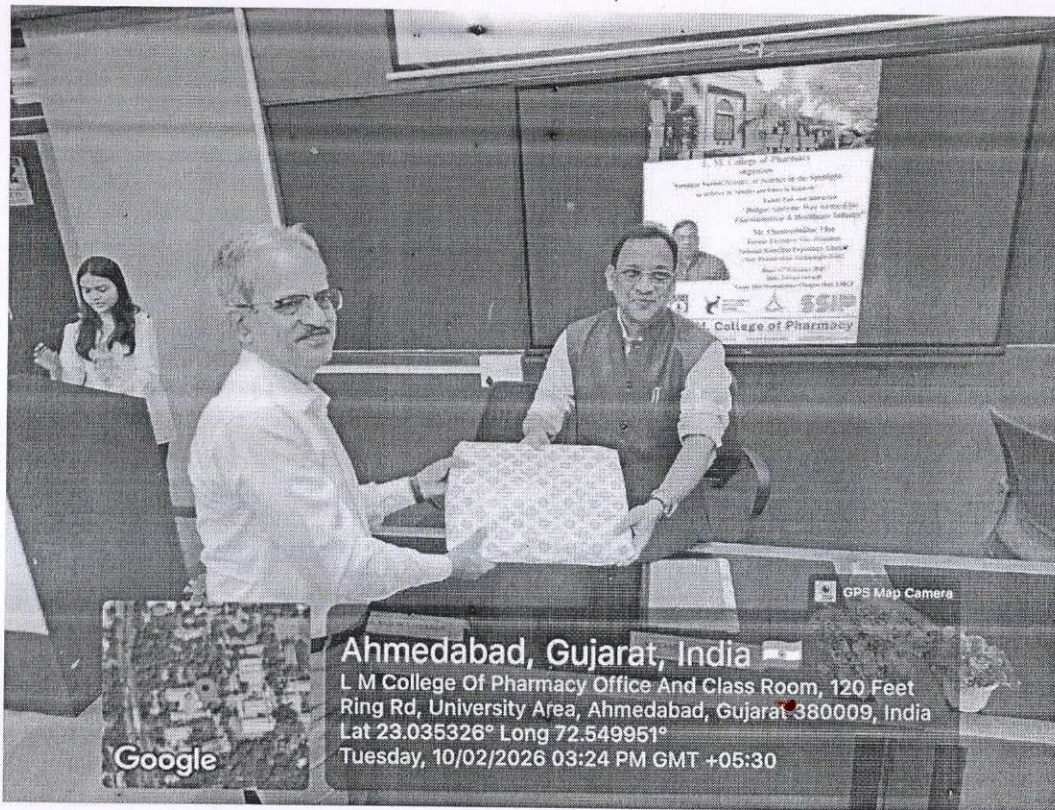

“Budget Analysis: Way Forward for Pharmaceutical & Healthcare Industry”; 10/02/2026

1. Name of the event: Science of Science in Spotlight; Expert Talk cum Interaction on “Budget Analysis: Way Forward for Pharmaceutical & Healthcare Industry”
2. Dates of the event: 10-02-2026
3. Number of participants: 146 (130 Students and 16 faculty members)
4. Name of collaborating agency/ Agency providing financial assistance for the conduct of the event: NA
5. Details of the Chief Guest: Dr. Shriram Nerlikar, Academic Director, AES
6. Details of the Speakers/ Resource Persons: Mr. Chandrashekhar Tilak, Former Executive Vice President, NSDL Ltd. Title: “Budget Analysis: Way Forward for Pharmaceutical & Healthcare Industry”
7. A brief description of the outcomes achieved through the event or the message from the event: The Expert Talk cum Interaction on “Budget Analysis: Way Forward for the Pharmaceutical & Healthcare Industry” provided participants with valuable insights into the recent Union Budget and its implications for the pharmaceutical and healthcare sectors. The session highlighted key policy measures related to healthcare spending, pharmaceutical manufacturing, research and development, regulatory reforms, and incentives for innovation.

The expert elaborated on emerging opportunities for the industry in areas such as domestic API production, digital health, biotechnology, and public-private partnerships, while also addressing challenges related to pricing, compliance, and global competitiveness. The interactive discussion enabled participants to critically analyze budgetary provisions, understand their short- and long-term impact on industry growth, academia, and employment, and explore strategic approaches for aligning research, education, and industrial practices with national healthcare priorities. He also highlighted some of the research areas that can be undertaken in pharmaceutical sector are extending shelf-life of product, customizable products and product that can be applied in space research and sports area. Overall, the event enhanced awareness, encouraged informed dialogue, and equipped students, faculty, and professionals with a clearer perspective on the future roadmap of the pharmaceutical and healthcare industry in the post-budget scenario.
