

Participation in DIPEX 2026

Event Date: 05.03.2026 to 08.03.2026

About the event:

The 35th edition of DIPEX 2026 was held from 5th–8th March 2026 at the Maharashtra Institute of Technology (MIT), Chhatrapati Sambhajnagar, Maharashtra. The event brought together 5,500+ students from 400+ institutes, showcasing 301 engineering and agri-tech projects, 83 ITI projects, and attracting 25,000+ visitors, along with 30+ incubation centers and 110+ expert evaluators.

Several key sessions were organized under the State-Level Symposium for Incubators, including discussions on government support for innovation, grassroots financial inclusion, deep-tech startups for Viksit Bharat, and the role of incubators in strengthening the startup ecosystem.

ASHINE-SVNIT was represented by Mayur Kalasariya, Incubation Manager, who exhibited a stall showcasing incubation programs, startup support initiatives, and opportunities for innovators and entrepreneurs. Through stall interactions and symposium participation, he engaged with student innovators, startups, and peer incubation centers, promoting ASHINE-SVNIT's incubation activities while exploring promising innovations for future incubation support.

Overall, DIPEX 2026 served as a valuable platform for networking, knowledge exchange, collaboration, and identifying potential startups for incubation.
