A Report on Department Level SSIP Idea Presentation & Screening Program

The Idea presentation and screening event for the student startup initiative, held on 17th January 2026, at A-201 (DCE), Government Polytechnic, Surat during 1:00 PM to 4:00 PM with great enthusiasm and professionalism. The event aimed to evaluate innovative ideas and entrepreneurial potential among students, providing them a platform to present their startup concepts. **The jury panel** comprised esteemed members **Mr. Jigish Rana, Ms. Pratiksha Chaudhary, and Ms. Mona Umariya**, who brought their expertise and insights to the evaluation process. Each team was given an opportunity to pitch their ideas, followed by an interactive question-and-answer session where the jury assessed feasibility, creativity, and scalability. The event not only encouraged students to think innovatively but also offered valuable feedback from the jury, making it a highly enriching experience for all participants.

Objectives:

1. To identify and shortlist innovative and feasible student startup ideas with strong potential for growth and impact.
2. To provide students with a platform to present their entrepreneurial concepts and enhance their pitching and communication skills.
3. To offer constructive feedback and expert guidance from experienced jury members to refine business ideas.
4. To encourage a culture of innovation, creativity, and entrepreneurship among students.
