

Report on Expert talk conducted under SSIP

On 28 April 2023, under the aegis of SSIP Cell DGGECS Surat, Environmental Engineering Department had organized an expert talk at Seminar Hall for the students of Environmental engineering. Shri Manoj Godhaniya delivered the said talk. Research and innovation in environmental technology play a pivotal role in addressing pressing global challenges related to climate change, pollution, and resource depletion. The expert talk provided a brief overview of recent advancements in environmental technology, highlighting key trends, breakthroughs, and their potential impact on sustainable development. The students thoroughly enjoyed the talk. Around 61 students from Sem. 5 and 7 took part in the program.
