- **Program was handled by Mr. Vipul Chauhan, Mr. Amit Vaishnav and Dr. Shakti Patel**
- **NO. Of Student:92**

As part of the Computer Department Induction Program for 1st Semester students (Batch 2025), a session on *SSIP (Student Startup and Innovation Policy)*, *NSS (National Service Scheme)*, and the *Department Website* was conducted on 31st July 2024.

SSIP:

The session introduced students to the Student Startup and Innovation Policy (SSIP), which provides a platform to transform innovative ideas into real projects. Students were guided on how to apply for funding and mentorship opportunities under SSIP and encouraged to develop problem-solving skills through innovation.

NSS:

The National Service Scheme (NSS) segment highlighted the importance of community service and social responsibility. Students were informed about various activities under NSS, such as cleanliness drives, awareness campaigns, and rural development programs, aiming to build leadership qualities and empathy.

Department

Students were given an overview of the Computer Department Website, showcasing available resources such as academic schedules, notices, study materials, and event updates. The website was presented as a central hub for information and a tool for staying connected with departmental activities.

Website:

A total of 98 students actively participated, showing enthusiasm and interest in these initiatives. The session concluded with an interactive Q&A, ensuring clarity on how students can engage with these platforms during their academic journey.
