## Report on Startup Idea Competition

<b>ACTIVITY TYPE</b>	Startup Idea Competition		
<b>DATE &amp; TIME</b>	21/01/2026 to 23/01/2026	Duration	3 Days
<b>SEMESTER</b>	All	No. of participants	373
<b>EXPERT NAME WITH DESIGNATION</b>	Evaluation Panel comprising startup mentors, industry experts, and PIERC representatives		

### Introduction

As part of Vadodara Startup Festival 6.0, Parul University organized a Startup Idea Competition to provide a platform for students to present innovative business ideas and entrepreneurial solutions. Conducted under the Parul Innovation & Entrepreneurship Research Centre (PIERC), the competition aimed to encourage creativity, problem-solving, and startup-oriented thinking among participants.

The event enabled students to pitch their ideas before expert evaluators, receive constructive feedback, and understand the practical aspects of transforming ideas into viable ventures. The competition promoted innovation-driven learning and inspired participants to actively engage with the startup ecosystem.

### Objectives of the Session

- Encourage participants to identify real-world problems and develop innovative startup ideas.
- Enable students to present and validate their concepts before experienced evaluators.
- Foster out-of-the-box thinking and solution-oriented approaches.

- Help participants understand how business ideas are assessed for feasibility and impact.
- Provide exposure to incubation, mentorship, and funding opportunities.

## Learning Outcomes

- **Improved idea presentation and pitching skills**  
Students learned to structure and communicate business concepts effectively.
- **Understanding of startup feasibility and planning**  
Participants gained insights into validating ideas and assessing market potential.
- **Enhanced problem-solving abilities**  
The competition encouraged analytical thinking and innovative solutions.
- **Exposure to expert feedback**  
Students benefited from practical suggestions for refining their ideas.
- **Increased entrepreneurial confidence**  
Participants felt motivated to pursue startup initiatives and innovation projects.

## Conclusion

The Startup Idea Competition conducted during Vadodara Startup Festival 6.0 served as an impactful platform for nurturing entrepreneurial talent among students. It bridged academic knowledge with practical startup exposure through idea pitching, evaluation, and mentorship interaction.

The competition strengthened students' innovation mindset, presentation abilities, and understanding of startup ecosystems, contributing meaningfully to their entrepreneurial and professional development.
