

## Entrepreneurship, Legal Tech. & Innovation || 14<sup>th</sup> October 2022

GLIC has arranged an interactive session on "Entrepreneurship, Legal Tech, and Innovation" on October 14, 2022. The esteemed speaker for the session is Mr. Sachin Malhan, who holds an impressive background in the field.

Mr. Sachin Malhan is the Co-founder of Agami, an organization focused on leveraging technology and innovation to drive positive changes in the legal ecosystem. Prior to his involvement with Agami, he served as the Executive Director of Ashoka Changemakers, a renowned global network of social entrepreneurs. Additionally, Mr. Malhan is the founder and former CEO of Law School Tutorials (LST), which has made significant contributions to legal education.

The session led by Mr. Sachin Malhan likely aimed to provide valuable insights into entrepreneurship, legal technology, and innovation. As a co-founder of Agami and with his experience in the legal and education sectors, he possesses expertise that is highly relevant to the subject matter.
