

National Startup Day

"Creativity & Innovation to the Youth of India" on 17th January 2023

On January 17, 2023 (Tuesday), in celebration of the 7th founding year of Startup India and National Startup Day, GNLU Legal Incubation Council (GLIC) organized a seminar focused on "Creativity & Innovation to the Youth of India." The seminar aimed to inspire and encourage entrepreneurs and startup founders to elevate their innovative ideas to new heights.

The distinguished speaker for the seminar was Anand S. Mashruwala. he is a renowned figure in the field of creativity, innovation, or entrepreneurship, the seminar would have been a significant platform for aspiring entrepreneurs and startup founders to gain insights and motivation to pursue their innovative ideas. The event likely featured discussions on various aspects of creativity and innovation, providing attendees with valuable strategies and perspectives to enhance their entrepreneurial journeys.

Celebrating National Startup Day and the founding anniversary of Startup India through such seminars showcases the commitment of GLIC to support and nurture the startup ecosystem in India. These initiatives play a vital role in fostering entrepreneurship, facilitating knowledge sharing, and inspiring the youth to harness their innovative potential.
