EXPERT NAME WITH DESIGNATION	Vijay Thakral – Chief of compliance, Razorpay & Sunil Ramrakhiani CBO, BSE		

1. Introduction

A panel discussion session on the theme “Rethinking Money in an Uncertain World” was organized on 19 February 2026 at the Parul Innovation & Entrepreneurship Research Centre (PIERC), Parul University with the objective of providing students with practical insights into leadership, financial transformation, adaptability, and the evolving global business environment.

The session featured Vijay Thakral, the Vice President of Razorpay, along with Sunil Ramrakhiani, who shared valuable perspectives on changing financial systems, innovation-driven growth, and the mindset required to remain relevant in a rapidly evolving world.

The discussion focused on the importance of vision, adaptability, resilience, and continuous learning in navigating uncertainty and achieving sustainable success in professional and entrepreneurial journeys.

The interaction created an engaging and insightful learning environment where students gained exposure to real-world industry experiences, leadership perspectives, and future-oriented thinking essential for modern business ecosystems.

2. Objectives of the Program

The key objectives of organizing the panel discussion were:

- To provide students with practical insights from experienced industry leaders.
- To create awareness about evolving financial systems and business ecosystems.
- To encourage students to develop adaptability, leadership, and strategic thinking abilities.
- To promote innovation-oriented and future-ready mindsets among participants.
- To help students understand the importance of resilience and continuous learning in professional growth.
- To bridge the gap between academic learning and real-world industry expectations.
- To strengthen the innovation and entrepreneurial ecosystem at PIERC and Parul University.

3. Details of the Program

The panel discussion was organized on 19 February 2026 at PIERC, Parul University with active participation from 420 students across various disciplines.

During the session, Vijay Thakral, the Vice President of Razorpay, and Sunil Ramrakhiani shared valuable insights on financial transformation, digital innovation, leadership, and the future of businesses in uncertain economic conditions.

The discussion revolved around the theme “Rethinking Money in an Uncertain World,” where the speakers emphasized the importance of having a strong vision, adaptability, and the right mindset to stay relevant and successful in rapidly changing business and technological environments.

The speakers highlighted how innovation, digital transformation, and evolving consumer behavior are continuously reshaping industries and financial systems. Students were encouraged to embrace change, remain adaptable, continuously upgrade their skills, and focus on long-term growth and innovation.

The session also explored leadership qualities, strategic decision-making, resilience, and the importance of staying future-focused in dynamic professional ecosystems. Real-world examples and industry experiences shared during the discussion made the session highly engaging and insightful.

The interaction created an intellectually enriching environment that enabled students to connect academic learning with practical industry perspectives and evolving global trends.

4. Learning Outcomes

The program provided several valuable learning experiences for participants:

- Students gained practical insights into financial transformation and evolving business ecosystems.
- Participants developed a better understanding of leadership, adaptability, and strategic thinking.
- The session encouraged students to remain future-focused and innovation-oriented.
- Students gained awareness about the importance of resilience and continuous learning in professional growth.
- The interaction enhanced participants' understanding of industry expectations and changing market dynamics.
- Participants were motivated to develop growth mindsets and future-ready professional skills.

5. Conclusion

The panel discussion on “Rethinking Money in an Uncertain World” organized on 19 February 2026 at PIERC, Parul University was a highly enriching and thought-provoking session that successfully connected students with real-world industry insights and leadership perspectives.

The interaction with Vijay Thakral, the Vice President of Razorpay, and Sunil Ramrakhiani provided students with valuable understanding about adaptability, leadership, financial transformation, and the importance of maintaining relevance in an evolving global environment.

Such initiatives play a significant role in strengthening the innovation and entrepreneurial culture at PIERC while preparing students to become future-ready professionals, innovators, and leaders capable of navigating uncertainty with confidence and vision.
