DATE & TIME	30/01/2025	Duration	1 Day
SEMESTER	All	No. of participants	44
EXPERT NAME WITH DESIGNATION	IAS Dr.Anju Sharma, Government of Gujarat		

1. Introduction

The Startup Innovation Demo Day was organized on 30 January 2026 at the Parul Innovation & Entrepreneurship Research Centre (PIERC), Parul University with the objective of promoting innovation, entrepreneurship, and startup culture among students and young innovators.

The event aimed to provide a dynamic platform for startup founders and innovators to showcase their innovative products, technologies, and business ideas. The exhibition encouraged collaboration, networking, and interaction among startup founders, students, faculty members, and distinguished guests.

The event was further honored by the presence of Anju Sharma, who visited the startup exhibition and interacted with the founders and innovators. Her interaction motivated participants to focus on innovation-driven development, leadership, and entrepreneurship for societal growth and national progress.

2. Objectives of the Program

The key objectives of organizing the Startup Innovation Demo Day were:

- To provide a platform for startups and innovators to showcase their products, ideas, and technologies.
- To encourage students and young innovators to explore entrepreneurship and startup opportunities.
- To create networking and collaboration opportunities among founders, students, and stakeholders.

- To inspire participants through interaction with an experienced administrative leader and distinguished guest.
- To strengthen the startup and innovation ecosystem at PIERC and Parul University.
- To encourage problem-solving, creativity, and innovation-driven thinking among participants.

3. Details of the Program

The Startup Innovation Demo Day was organized at PIERC, Parul University, where multiple startups incubated and associated with the innovation ecosystem showcased their products, services, and innovative solutions.

The exhibition created an engaging environment where startup founders presented their business ideas, demonstrated their products, and explained the practical challenges their innovations aim to solve. The event also enabled students and participants to interact directly with entrepreneurs and gain exposure to real-world startup journeys and innovation processes.

The program was honored by the visit of Anju Sharma, who interacted with startup founders and appreciated their efforts towards innovation and entrepreneurship. Her interaction focused on understanding the impact of startups on society, youth empowerment, and economic development.

The startups that showcased their innovations during the exhibition included:

- Crunchy Wavez
- Fly Any Trip
- J.P Perfumery
- Breva
- DR.Cardio

Each startup explained its vision, product offerings, and the value its innovation creates for society and industry. The founders also discussed their entrepreneurial journeys, business challenges, and future growth plans.

The interaction session was highly insightful and motivating for students and startup founders. Valuable guidance was shared regarding leadership, innovation, discipline, and the importance of contributing positively towards society through entrepreneurship and technology-driven solutions.

The event successfully connected innovation, entrepreneurship, and leadership while strengthening the startup ecosystem at PIERC.

4. Learning Outcomes

The program provided several meaningful learning experiences for participants:

- Startup founders received motivation and encouragement from a distinguished administrative leader.
- Students developed a better understanding of innovation-driven entrepreneurship and startup culture.
- Participants enhanced their communication, presentation, and networking skills through direct interaction and product demonstrations.
- The event encouraged young innovators to think creatively and develop impactful business ideas.
- Participants gained practical exposure to startup ecosystems, leadership, and entrepreneurial thinking.

5. Conclusion

The Startup Innovation Demo Day organized on 30 January 2026 at PIERC, Parul University was a successful initiative that celebrated innovation, entrepreneurship, and the spirit of young innovators.

The exhibition provided startups with an excellent opportunity to showcase their innovations, interact with stakeholders, and gain valuable exposure and motivation. The presence and interaction of Anju Sharma further enriched the event by inspiring participants to continue contributing towards innovation, leadership, and nation-building.

Such initiatives play an important role in strengthening the innovation ecosystem at PIERC and motivate students and entrepreneurs to transform their creative ideas into impactful solutions for society and industry.
