

REPORT

Startup Demo day

Event Date: 07.04.2026

About the event:

Startup Demo Day was held at ASHINE, SVNIT, Surat, on 7 April 2026, marking the successful conclusion of the six-workshop DEW series. Over six months, student teams identified real-world problems and developed innovative prototypes with guidance from faculty mentors. During the Demo Day, teams presented their solutions, shared their development journey, and received valuable feedback from industry and academic experts. The event concluded with the felicitation of participating teams by Dr. Ravikant, Dean P&D, who appreciated the students' innovation, commitment, and entrepreneurial spirit.
