SSIP Screening

Event Date: 08.04.2026

About the event:

ASHINE received a total of 19 PoC applications and 7 IPR applications from students and startup enthusiasts across Gujarat. On 8 April 2026, the Institution-Level SSIP Scrutiny Committee evaluated the submitted proposals and recommended 5 startups, including 4 PoC projects, for support. In addition, 5 out of 7 IPR applications were recommended for IPR assistance. The selected applicants were collectively sanctioned ₹10,78,000 under SSIP 2.0, providing financial support to advance their innovation, prototype development, intellectual property protection, and commercialization efforts.
