

Program Report

Awareness Programme – Civil Department (GIA & SFI)

1. Introduction

An **Awareness Programme for Civil Department (GIA & SFI)** was successfully organized at **B & B Institute of Technology (BBIT), Vallabh Vidyanagar**. The programme was conducted with the aim of creating awareness among students regarding academic growth, professional development, opportunities in the civil engineering field, and the importance of continuous learning.

The session was delivered by **Prof. Amitkumar Raval, Lecturer, Civil Engineering Department, B & B Institute of Technology (BBIT)**. The programme provided students with valuable guidance and insights related to the civil engineering profession, skill development, and future opportunities.

2. Program Details

Title of the Program: Awareness Programme – Civil Department (GIA & SFI)

Date: 08/07/2025

Time: 11:00 AM to 01:00 PM

Venue: B & B Institute of Technology, Vallabh Vidyanagar

Speaker: Prof. Amitkumar Raval

Designation: Lecturer, Civil Engineering Department, BBIT

Number of Participants: 60 Students

3. Objectives of the Programme

The major objectives of the awareness programme were:

- To provide students with awareness about opportunities and developments in the field of civil engineering.
- To motivate students towards professional learning and skill enhancement.
- To guide students regarding academic and career growth opportunities.
- To encourage students to develop practical knowledge along with theoretical understanding.
- To create awareness about the importance of innovation, technical skills, and professional responsibility.

4. Session Highlights

During the programme, Prof. Amitkumar Raval delivered an informative session focusing on various aspects related to civil engineering education and career development.

The key highlights of the session included:

- Importance of civil engineering in infrastructure development and nation building.
- Awareness regarding opportunities available for civil engineering students.
- Importance of technical knowledge, practical exposure, and continuous skill improvement.
- Guidance on developing professional competencies required in the civil engineering sector.
- Discussion on career pathways and future prospects for civil engineering graduates.

The interactive session encouraged students to participate actively and clarify their queries related to academics and professional opportunities.

5. Participation

A total of **60 students** actively participated in the awareness programme. Students showed great enthusiasm and interest throughout the session and benefited from the valuable guidance provided by the speaker.

6. Impact and Outcomes

The awareness programme was highly beneficial and informative for the participating students. The session enhanced students' understanding of the civil engineering profession and encouraged them to focus on skill development and career planning.

The major outcomes of the programme were:

- Students gained awareness about various opportunities in civil engineering.
- Participants understood the importance of technical skills and professional development.
- The programme motivated students to enhance their knowledge through continuous learning.
- Students received valuable guidance for their academic and career growth.

7. Conclusion

The **Awareness Programme – Civil Department (GIA & SFI)** was successfully conducted with active participation from students. The insightful session delivered by **Prof. Amitkumar Raval** helped students gain better understanding about the civil engineering field and its future opportunities.

The programme successfully achieved its objectives of creating awareness, motivating students, and encouraging them towards professional excellence.

8. Acknowledgement

B & B Institute of Technology, Vallabh Vidyanagar sincerely acknowledges the valuable contribution of **Prof. Amitkumar Raval, Lecturer, Civil Engineering Department, BBIT**, for conducting the awareness programme and sharing his knowledge and experience with the students.

Special thanks are extended to all coordinators, organizers, and participating students for their support and active involvement in making the programme successful.
