Report

On the occasion of **World Entrepreneurs' Day**, the Innovation Club and SSIP Cell of **Pramukh Swami Science & H D Patel Arts College, Kadi** organized an expert talk on “**Entrepreneurship as a Career: Creating Your Own Path**” on **21st August 2026** at **11:30 AM** in Smart Class-110.

The session was delivered by **Dr. Shraddhaba S. Gohil**, who provided valuable insights into entrepreneurship as a career option. The expert discussed the importance of innovation, identifying opportunities, developing entrepreneurial skills, overcoming challenges, and transforming ideas into viable solutions. Students were encouraged to develop an entrepreneurial mindset and explore opportunities for creating their own ventures.

A total of **55 students participated** enthusiastically in the programme. The interactive session helped students understand the importance of **creativity, innovation, leadership, problem-solving, and risk-taking** in entrepreneurship.

The programme successfully motivated students to consider entrepreneurship as a promising career pathway and encouraged them to convert innovative ideas into meaningful solutions.

Outcome:

The activity enhanced students' awareness of entrepreneurship and encouraged them to develop innovative ideas, entrepreneurial skills, and confidence to pursue **self-employment and startup opportunities**.
