Summary of Event:

1. **Understanding Start-up Funding:** Participants will understand the fundamentals of angel investment, venture capital (VC), and other funding sources available to early-stage start-ups.
2. **Identifying Funding Opportunities:** Students will learn how to identify suitable investors, funding programs, incubators, and financial support mechanisms for their entrepreneurial ideas.
3. **Investment Readiness:** Participants will gain insights into developing a strong business model, value proposition, and startup proposal that can attract potential investors.
4. **Effective Pitching Skills:** Students will understand the key elements of an effective investor pitch, including presenting their idea, market potential, scalability, and financial requirements.
5. **Awareness of Investor Expectations:** Participants will learn about investor perspectives, evaluation criteria, risk assessment, and factors influencing investment decisions.
6. **Networking & Ecosystem Exposure:** The session will provide opportunities to interact with entrepreneurs, investors, mentors, and other stakeholders within the startup ecosystem.
7. **Encouragement of Entrepreneurship:** Students will be motivated to transform innovative ideas into viable startups and explore entrepreneurship as a potential career pathway.
8. **Knowledge of Funding Journey:** Participants will gain a basic understanding of the startup funding lifecycle, from initial idea validation and seed funding to subsequent rounds of VC investment.

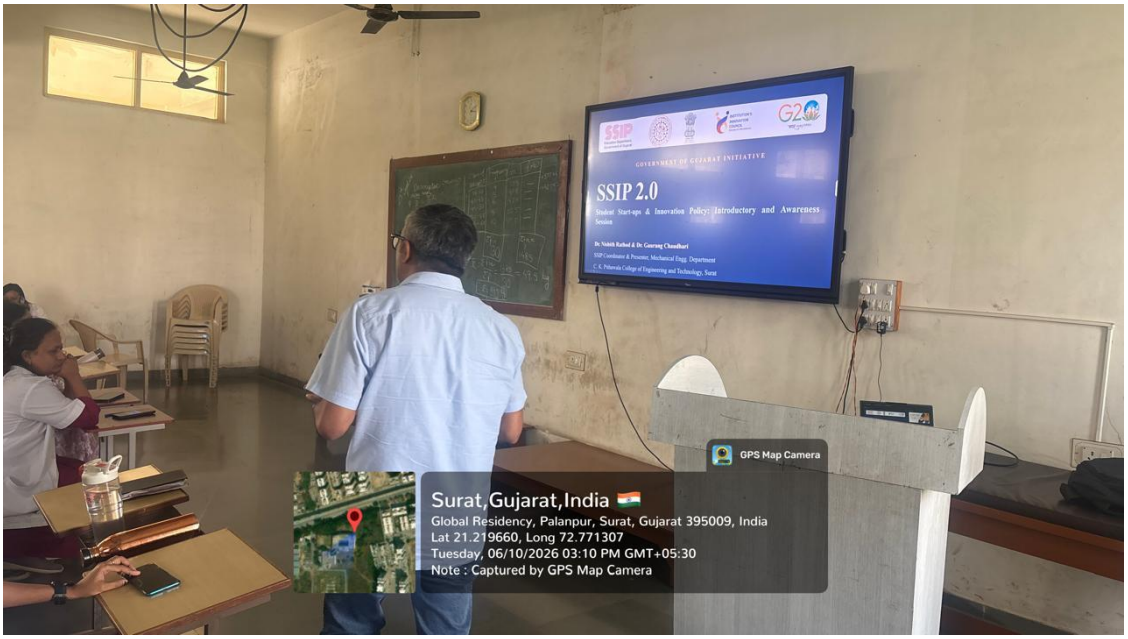

Participants: There are a total of 100 attendees who participated in this event and enhance their knowledge.
