Summary of Event:

The Introductory and Awareness Session on SSIP 2.0 was organized on 13 July 2026 at D-2 Seminar Hall for first-year B.E. students of Div-A (Computer, AI ML, IT) and Div-F (Civil, Mechanical, Electrical). The session was conducted by Dr. Krupa Desai, Assistant Professor, with the objective of creating awareness among students regarding the Student Startup and Innovation Policy (SSIP) 2.0.

During the session, students were introduced to the vision, objectives, and benefits of SSIP 2.0. Information regarding innovation, entrepreneurship, startup culture, funding

opportunities, intellectual property rights, prototype development support, and various activities under SSIP was shared. Students were encouraged to think innovatively, identify real-life problems, and convert their ideas into viable projects and startups.

The session also highlighted the role of SSIP in promoting creativity, research, and entrepreneurial mindset among engineering students. Queries raised by students regarding idea submission, mentorship, and funding procedures were addressed effectively.

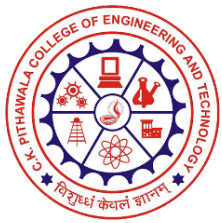

A total of 155 participants, including 153 students and 2 faculty members, attended the session enthusiastically. The event successfully enhanced students' awareness and motivated them to actively participate in innovation and startup-related activities under SSIP 2.0.

Participants: There are a total of 155 attendees who participated in this event and enhance their knowledge.
