

Report on Workshop on Problem Solving and Ideation

Organized under: SSIP Initiative

Date: 21 August 2026

Time: Session 1 – 8:30 AM to 10:00 AM

Venue: Government Arts College, Bhesan

Resource Person: Mr. Akshay A. Tank, Trainer, Centre for Entrepreneurship Development, Junagadh

Details of the event:

Government Arts College, Bhesan organized a workshop on “Problem Solving and Ideation” under the SSIP (Student Startup and Innovation Policy) initiative for the students of the college. The workshop was conducted on 21 August 2026, which was observed as World Entrepreneurship Day, during the first session from 8:30 AM to 10:00 AM.

Resource Person

The workshop was conducted by Mr. Akshay A. Tank, Trainer at the Centre for Entrepreneurship Development, Junagadh, who was invited to serve as the Resource Person. His expertise and experience in the field provided valuable insights to the participating students.

Objectives of the Workshop

The workshop was organized with the broad objective of developing students’ understanding and capabilities in:

- Problem solving and identifying problems effectively.
- Developing innovative ideas and approaches.
- Encouraging students to think creatively and explore new possibilities.
- Promoting an entrepreneurial and innovation-oriented mindset.
- Supporting the objectives of the SSIP initiative among students.

Proceedings of the Event

The session focused on the themes of problem solving and ideation, providing students with an opportunity to gain insights from an expert resource person.

The interaction was intended to strengthen students' ability to approach problems constructively and develop ideas that could potentially lead to innovative solutions.

The participation of an experienced trainer from the Centre for Entrepreneurship Development added practical value to the workshop and helped students gain exposure to entrepreneurship- and innovation-related thinking.

Outcome

The workshop contributed to enhancing students' awareness of problem-solving approaches and the process of developing ideas. The expertise of the Resource Person provided an additional edge to the students, as also acknowledged in the certificate issued by Government Arts College, Bhesan.

The certificate included in the source document confirms that Mr. Akshay A. Tank served as the Resource Person for the workshop on "Problem Solving and Ideation" on 21/08/2026 under SSIP, and states that his expertise benefited the students.

Conclusion

The Workshop on Problem Solving and Ideation was an important initiative under SSIP aimed at encouraging innovation, creativity, and entrepreneurial thinking among students. The session provided students with valuable exposure to expert guidance and strengthened the focus on developing problem-solving and ideation capabilities.

The invitation letter records the event details as 21 August 2026, 8:30 AM–10:00 AM, at Government Arts College, Bhesan, and identifies Mr. Akshay A. Tank as the invited Resource Person.
