REPORT

On July 30, 2026, student sensitization program was organized on identification of problem under SSIP 2.0 at Government Science College, Tharad, under the inspiration and guidance of the Principal, Dr.D.B.Goswami.

The event began with a prayer, which was presented by semester 5 students. Following the prayer, Nirmaben Chaudhary, Junior Clerk, delivered the welcome address.

The event continued with a special lecture by Dr.D.B.Goswami, who provided in-depth information about SSIP and the grants available under various government projects. In the second part Dr.G.R.Varde, Head of Chemistry Department And SSIP Co-Ordinator of College continued the session. He gave different examples of Start-up. His session is mainly concentrated on the problem identification. He gave information about the problems surrounding the us which can be converted to PoC. He gave some examples of surrounding problem and how that can be converted to PoC. He also gave examples of Start-ups and discussed their success story. He encouraged the students to think out of the box and work on their own idea.

At the end of the program, Ashokbhai Darji, Computer Operator, delivered the vote of thanks and declared the event concluded. 96 students participated in seminar.
