REPORT

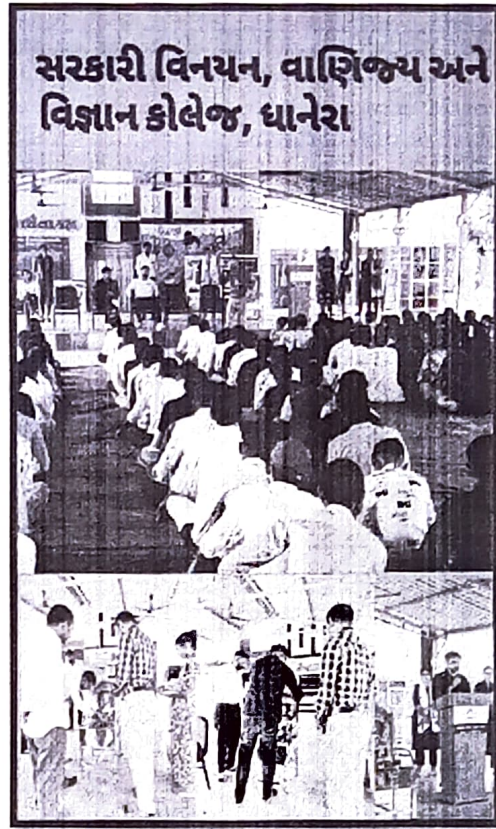

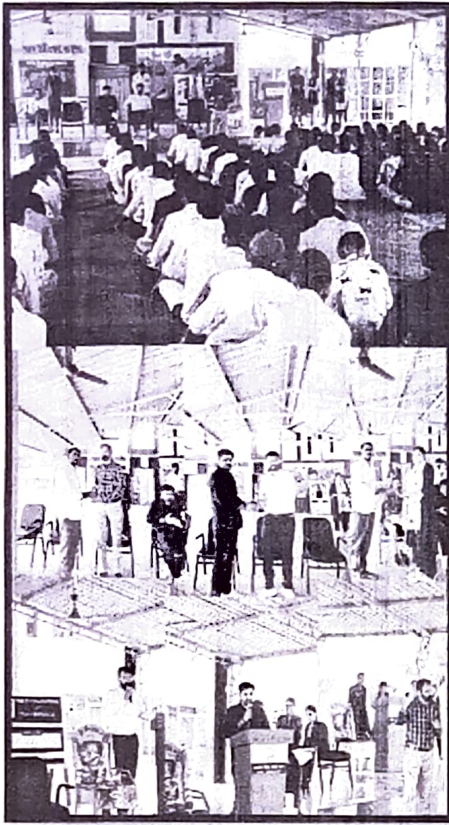

On August 03, 2026, one day seminar was organized on Student Sensitization Program under SSIP 2.0 at Government Arts, Commerce and Science College, Dhanera, under the inspiration and guidance of the Principal of Government Science College, Tharad, Dr.D.B.Goswami.

The event began with a prayer, which was presented by semester 6 students, Trivedi Ranjana Solanki, Soni Hadiyal. Following the lightning of lamp by faculties and staff members. Bhikhabhai Chaudhary, Principal, Government Science College, Dhanera, delivered the welcome address.

The event continued with a special lecture by Dr.Govind Varde, SSIP Co-Ordinator, Government Science College, Tharad who provided in-depth information about SSIP and the grants available under various government projects. He gave different examples of Start-up. He also gave information of Start-up Culture of India. He also gave depth information of How Start-up will build the nation. He also explained how we can benefited by different government schemes which boost start-up culture. He encouraged the students to identify the problems around them and convert it into the PoC.

At the end of the program, Vishnubhai Mali, Clerk, Government Arts, Commerce & Science College, Dhanera, delivered the vote of thanks and declared the event concluded. 82 students participated in seminar.
