SEMINAR REPORT

Student Startup and Innovation Policy (SSIP 2.0)

Organized By

Electronics & Communication (E&C) Department and Information & Communication Technology (ICT) Department, Government Polytechnic for Girls, Surat

Date & Venue

06 August 2026 | Vivekananda Hall

Introduction

The Electronics & Communication (E&C) and Information & Communication Technology (ICT) Departments organized an awareness seminar on the Student Startup and Innovation Policy (SSIP 2.0) of the Government of Gujarat for newly admitted first-year students. The seminar aimed to introduce students to the state's innovation ecosystem and encourage them to participate in startup and entrepreneurship activities.

Seminar Summary

The session was conducted by Mr. K. F. Chaudhari, Department SSIP Coordinator, and Mr. V. R. Dodiya, Department SSIP Co-Coordinator. They explained the objectives of SSIP 2.0, the benefits available to students, startup funding support, prototype development assistance, incubation facilities, intellectual property rights (IPR) awareness, and various opportunities for innovation and entrepreneurship. The speakers motivated students to transform creative ideas into innovative projects and startups under the SSIP initiative.

Conclusion

The seminar was informative and inspiring for the newly admitted students. It successfully created awareness about the SSIP Policy and encouraged students to actively participate in innovation, research, and startup activities throughout their academic journey.
