Date: 06/08/2026, Thursday

Time: 1.00 pm to 03.00 pm

Venue: Vivekananda Hall, GPG Surat

Name of Co-ordinator: Mr. Naman Khandelwal, Mr. Harsh M. Shah

Designation: Lecturer, Computer Engineering

Total No. Of Students Attended: 145

Description:

An SSIP (Student Startup and Innovation Policy) Awareness Program was organized for first-year students on Thursday, 6 August 2026. A total of 145 students participated in the seminar. The program was a specialized initiative designed to educate and engage students about the policies, opportunities, and support available for startups and innovation within the academic environment. It aimed to provide students with foundational knowledge about the SSIP framework, foster a culture of innovation and entrepreneurship, and guide them on how to leverage institutional financial support for their entrepreneurial ventures. The Principal Shri J. M. Joshi Sir also inspired and encouraged the students to actively engage in innovation and entrepreneurial activities. He motivated them to think creatively, explore new ideas, and transform their innovative concepts into meaningful, practical, and sustainable ventures.
