Event Name: World Entrepreneurs Day Celebration

Date: 21/08/2026

Venue/ Mode: Government Arts & Science Collage, Harij / OFFLINE

No of Participants: 43

Speakers Name: Mr. Prakash Joshi

About Event: Government Arts and Science College, Harij, proudly celebrated World Entrepreneurs' Day on 21st August, 2026, with great enthusiasm and active participation from students and faculty members. The event aimed to inspire students to explore entrepreneurship as a career path and develop a self-reliant mindset. The highlight of the program was an enlightening lecture delivered by Mr. Prakashbhai Joshi, a renowned entrepreneur and a youth role model. Mr. Joshi is widely recognized for his innovative contributions, including the development of an automatic Panipuri vending machine and his involvement in GPS tracking system contracts across Gujarat. His journey from an aspiring youth to a successful entrepreneur served as a powerful source of motivation for all attendees. In his speech, Mr. Joshi emphasized the importance of self-employment, encouraging students to not solely rely on government jobs but to explore their own potential and ideas. He shared practical insights on how to start a start-up, manage resources, and grow a business sustainably. His message focused on identifying local problems and creating innovative solutions, using technology and creativity as key tools. The event saw active participation from 49 students and 12 professors, who engaged in a lively Q&A session following the lecture. The interaction reflected the student's keen interest in entrepreneurship and their willingness to learn from real-life success stories.

The SSIP 2.0 Coordinator, **Dr. Badal Chauhan**, explained various startup and innovation projects to motivate the students and help them develop a startup mindset. All the planning and direction were overseen by the college principal, **Dr. Tekpalsingh Anand Sir**.

Outcome of Event: Due to these events, students were encouraged to develop a mindset for startups.
