The Innovation Club and SSIP Club of Government Science College, Veraval jointly celebrated World Entrepreneurs Day on 21st August 2026. The programme was organized with the objective of promoting entrepreneurship, innovation, self-reliance and employment generation among students.

Mr. Shailesh Suyani, Founder of Sagar Manthan Machhimar Utthan Pvt. Ltd., graced the occasion as the expert speaker. He shared his inspiring entrepreneurial journey and explained how he started his venture, the challenges he faced, and how he gradually developed it into a successful enterprise.

During the session, Mr. Suyani shared valuable insights from his entrepreneurial experience. He highlighted the importance of identifying opportunities, developing practical solutions, remaining determined during challenges and continuously improving an idea. He also explained how his organization has grown to have more than 750 women workers associated with it, demonstrating the role of entrepreneurship in employment generation and community development.

His success story and practical guidance motivated students to think innovatively, develop entrepreneurial skills and pursue their own ideas and ventures with confidence and determination. The interaction helped students understand that entrepreneurship can transform ideas into meaningful enterprises and create opportunities for others.

The programme was successfully organized by Dr. Priya Mange, Coordinator, under the guidance of Dr. Smita Chhag, Principal, Government Science College, Veraval. The session created an inspiring and interactive learning environment and encouraged students to explore entrepreneurship as a pathway towards innovation, self-reliance and employment generation.

The programme concluded with appreciation for the expert speaker, participating students and faculty members for their active involvement and contribution. The World Entrepreneurs Day celebration served as a valuable platform for students to gain real-world entrepreneurial exposure and motivation.
