6. About Event:	Eureka! 2026 – Startup Pitch Competition was organized by E-Cell ADIT in association with E-Cell IIT Bombay to provide aspiring student entrepreneurs with a platform to showcase their startup ideas. Held on 17 August 2026 at the ADIT Auditorium, the event welcomed students from colleges across Anand District, with teams of 2–4 members. Participants presented a 2-minute pitch followed by a 3-minute Q&A with experienced judges and mentors. The competition focused on innovation, problem-solving, market potential, feasibility, and business models. The event also provided participants with valuable feedback, networking opportunities, recognition, and a pathway towards the Eureka! 2026 Zonal Round, subject to the official evaluation process.
7.Outcome of Event:	The Eureka! 2026 Startup Pitch Competition successfully provided students with a platform to present their startup ideas before experienced judges and mentors. The event encouraged entrepreneurial thinking, innovation, and practical problem-solving among students from colleges across Anand District. Key outcomes included: • 49 teams registered for the competition. • Students received direct feedback and insights from the jury on their startup ideas. • The competition helped participants improve their pitching and business communication skills. • Top 3 teams were identified through the jury evaluation. • The winning teams' pitch decks were collected for further evaluation under the Eureka! 2026 ecosystem. • The event strengthened the entrepreneurial culture and engagement of students through E-Cell ADIT. • The competition also created opportunities for students to connect with mentors, entrepreneurs, and fellow aspiring founders.
