Activity 6: Internal Evaluation for SSIP Funding

Date & Time: 03/01/2026, 9:30 AM to 3:00 PM

Venue: Classroom A2, Shreyarth University

Participants: A total of 17 students representing 8 startup ideas, including students from Shreyarth University and other universities.

Evaluation Committee: SSIP Committee Members, Shreyarth University

Objective of the Program

The objective of the internal evaluation program was to assess student startup ideas under the SSIP framework and provide structured feedback to help teams strengthen their proposals.

Program Details

Students presented their startup ideas and pitch decks before the SSIP Committee. Each idea was evaluated on parameters such as innovation, feasibility, scalability, and clarity of the pitch. The committee recommended necessary changes and improvements wherever required.

Outcome of the Program

The evaluation session provided valuable direction to the students. Teams gained clarity on required modifications and were better prepared for the upcoming external evaluation rounds.
