Venue	:	D1 Seminar Hall
Student Class	:	All Year B.Tech Students
Event Coordinator	:	Prof. Juhi Mehta, Prof. Rakesh Katariya

Summary of Event:

Technoism 2026 – Zone-Level Hackathon serves as an excellent platform for the **SSIP Cell** to promote innovation, entrepreneurship, and startup culture among students by providing them with an opportunity to identify real-world problems, develop technology-driven solutions, and convert innovative ideas into functional prototypes. Round1 Total Teams = 69 Total Participants = 283 and Round 2 Total Team=20 and Total Participants= 75 Through the two-stage process of **idea presentation and a 6-hour live coding hackathon**, students gain hands-on experience in problem identification, ideation, rapid prototyping, teamwork, technical implementation, and pitching. The event can help the SSIP Cell identify **innovative student ideas with startup potential**, nurture promising projects through mentoring and incubation, and encourage students to transform their academic/project concepts into

market-oriented solutions, products, and possible startups, thereby strengthening the institute's culture of innovation and entrepreneurship.

Participants: There are a total of attendees 283 who participated in this event and enhanced their knowledge.
