TiE U Program & Institutional Engagement

Date: 24/07/2026

Venue: Online - Platform

Executive Summary

The TiE U Program is a structured entrepreneurship accelerator initiative tailored specifically for collegiate entrepreneurs and student-led startup teams. Designed to bridge the gap between academic innovation and commercial viability, the program equips students with essential tools, mentorship, and ecosystem access to transform innovative concepts into scalable business ventures.

About the TiE U Program

The accelerator focuses on nurturing entrepreneurial thinking and startup readiness through hands-on exposure. Key elements and offerings include:

- **Expert Mentorship:** Direct guidance from seasoned founders, active investors, and industry leaders.
- **Practical Learning:** Interactive sessions covering startup building, AI-native product development, robust business models, strategic marketing, and pitch storytelling.
- **Investor Engagement:** Dedicated pitch preparation workshops and direct interaction opportunities with investors.
- **Global Exposure:** The unique opportunity for top participants to represent TiE Ahmedabad at the prestigious TiE Global Summit.

TiE Ahmedabad Institutional Membership

Institutional Membership bridges academic institutions with the broader entrepreneurial network, empowering universities that actively foster student innovation. Key collaboration areas include:

- **Ecosystem Development:** Joint execution of entrepreneurship-focused events, initiatives, and student startup programs.
- **Charter Member Access:** Expert guidance and mentorship delivered by TiE Charter Members and industry experts.
- **Program Integration:** Direct participation pathways in flagship initiatives such as TiE U, TiE Women, and TYE (The Young Entrepreneurs).

- Extensive Networking: Access to a dynamic network of founders, investors, entrepreneurs, and corporate professionals.
