Report on

Skill Building Internship 2026

Date: 24.08.2026 to 26.08.2026 **Time: 10:00 AM onwards**

GTU Innovation Council (GIC) at a glance

GTU Innovation Council (GIC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, new and products augmentation and processes in the arena of industries. GTU Innovation Council as an innovation campaign has started strategic steps to establish a close and continuing inter-action for the students in all the undergraduate and postgraduate courses. GTU Innovation Council is one of the elite organizations of the nation for cultivating multilayer innovation ecosystem. The pilot projects and efforts have ideated many policies which have helped to change and shape up innovation and entrepreneurial mind-set of students. Pioneering more than 12 initiatives in 8 sectors of the council.

Highlights of The Session:

The GTU Venture Lab – Saurashtra Hub Centre of Excellence successfully conducted a 3-Days 24.08.2026 to 26.08.2026 Skill Building Internship Program, providing students with valuable hands-on experience in advanced technologies and engineering tools. Throughout the program, participants explored various equipment and technologies, including 3D printing, PCB design and fabrication, IoT systems, electronics testing instruments, and product prototyping techniques. The internship focused on enhancing practical skills, fostering innovation, and exposing students to real-world applications of technology. Through interactive sessions, demonstrations, and hands-on activities, participants gained a deeper understanding of product development and the startup ecosystem. The program concluded with enthusiastic participation from students, who developed new technical competencies and gained confidence in utilizing advanced laboratory resources for future academic, research, and entrepreneurial endeavors. GTU Venture Lab remains committed to empowering young innovators through experiential learning and skill development initiatives.
