REPORT

ONE-DAY WORKSHOP ON

"NAVIGATING START-UP AND REGULATORY HURDLES"

Dt: 28/09/2026

Government Law College, Ahmedabad successfully organized a highly insightful and timely one-day workshop on the theme **'Navigating Start-up and Regulatory Hurdles'** on **September 28, 2026**. The primary objective of the workshop was to enlighten law students, aspiring entrepreneurs, and innovators about the complex legal landscapes, compliance requirements, and regulatory challenges involved in setting up and scaling a start-up in today's dynamic business environment.

The workshop featured a prominent experts like **Corporate Law Experts and Start-up Consultants** Dr. Rekha Kumari Singh and Dr. Amit Parmar as the keynote speaker. Bringing years of industry experience in corporate compliance, venture capital deals, and intellectual property litigation, the speaker provided a bridge between theoretical legal frameworks and real-world business challenges. The speaker shared practical case studies of real start-ups, illustrating how early-stage legal oversights could lead to severe regulatory roadblocks later on.

The event was conceptualized and executed under the visionary leadership of the college Principal, Dr. Minal Raval. The seamless execution of the entire program was managed by the Coordinator Dr. Urvi Shah and Co-Coordinator Dr. Dipika Virpari. The workshop concluded with an interactive Q&A session where participants cleared their doubts directly with the experts. The institution reiterated its commitment to hosting more such industry-academia bridging programs in the future. The Workshop was attended by 52 students plus faculty members.
