Report on SSIP Sensitization Program organized by Instrumentation & Control Engineering Department, Government Engineering College, Rajkot (SSIP Cell)

13/08/2026

The Department of **Instrumentation & Control Engineering**, Government Engineering College, Rajkot, successfully organized an **SSIP 2.0 Sensitization Program** on **13 August 2026**.

Prof. N. B. Gohil, SSIP Coordinator, delivered the introductory speech and provided students with an overview of SSIP 2.0, its objectives, funding opportunities, and various opportunities for innovation and start-up activities. **Prof. U. V. Shah, Head of the Department**, further motivated the students and encouraged them to actively participate in innovation, entrepreneurship, and start-up initiatives.

The session was conducted by **Prof. R. K. Shukla**, who guided the students on exploring innovative ideas and transforming them into practical projects and potential start-ups.

The program was attended by **25 first-year students** of Instrumentation & Control Engineering, providing them with valuable exposure to SSIP initiatives, innovation, entrepreneurship, and start-up opportunities. The session encouraged students to develop and pursue their innovative ideas.

Prof. N. B. Gohil, SSIP Coordinator, Introduction to SSIP 2.0

Prof. U. V. Shah, HOD, Motivating Students Towards Innovation

Prof. R. K. Shukla, Department SSIP Coordinator, Conducting the SSIP 2.0 Sensitization Session

Program committee:

Dr. K. G. Maradia, Principal

Dr. S. M. Shah, SSIP Mentor

Prof. U. V. Shah, Head IC Department

Prof. N. B. Gohil, SSIP coordinator

Prof. R. K. Shukla, IC, SSIP Co-coordinator & Department Coordinator

Prof. D. K. Chotaliya, IC dept

Program Date: 13-08-2026, Venue: C-001, IC Building, GEC Rajkot
