Organizing Department: Ayurveda Department

Event Title: SSIP Sensitization Program

Event Date: 27/07/2026

Event Type: Awareness and Sensitization

Program Venue: G-003

Coordinator: Dr. Vikalp Kubavat

Expert: Prof. Ashok Thumar

Participation: Girls – 77, Boys – 26, Faculties – 3, Total – 106

Objective of the Event

To create awareness among Ayurveda students about the Student Start-up & Innovation Policy (SSIP 2.0), encourage innovation, entrepreneurship, startup culture, intellectual property awareness, and participation in university innovation initiatives.

Brief Summary

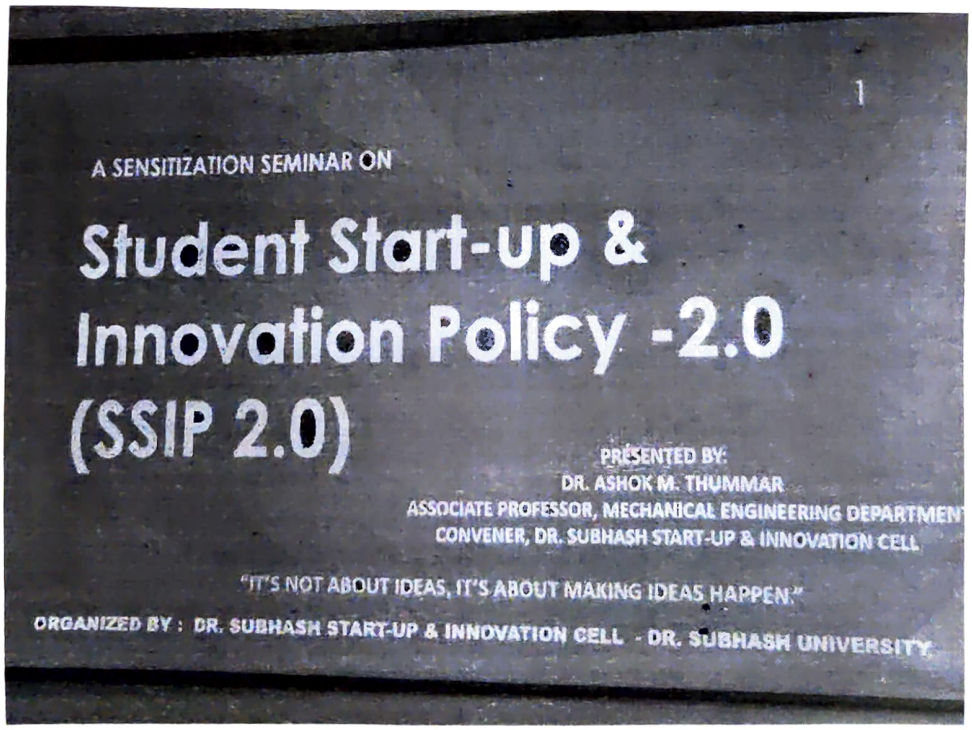

The School of Ayurveda, Dr. Subhash University organized an SSIP Sensitization Program on 27 July 2026 at G-003. The session was coordinated by Dr. Vikalp Kubavat and delivered by Prof. Ashok Thumar. The expert explained the objectives of SSIP 2.0, startup development, innovation ecosystem, incubation support, funding opportunities, intellectual property rights, and entrepreneurship. Students actively interacted during the session and gained motivation to convert innovative ideas into practical solutions and startup ventures. The program successfully enhanced awareness regarding innovation and entrepreneurship among Ayurveda students.
