## Introduction:

On 18th August 2026, the Entrepreneurship Club of the Institute of Advanced Research organized its **Introductory Event** to welcome the new leadership team and formally begin a new chapter of the club. The event aimed to strengthen the connection between the former and new leadership while creating an interactive platform for students to develop creativity, confidence, teamwork, and an entrepreneurial mindset. Through leadership interactions, engaging activities, and entrepreneurial challenges, the program provided an opportunity for participants to connect, learn, and actively engage with the vision of the Entrepreneurship Club.

## Event Summary:

On 18th August 2026, the Entrepreneurship Club of the Institute of Advanced Research successfully organized its **Introductory Event**, marking the beginning of a new chapter for the club and its newly appointed leadership team. The event was designed to create a meaningful connection between the former and new leadership, introduce the new core team, and encourage students to explore entrepreneurship through interactive and engaging activities. The programme began with **"Legacy Begins – Former Dignitaries,"** where former office bearers shared their experiences, achievements, memories, and valuable advice for the new team. This was followed by **"Meet the New Leadership"** and **"Beyond the Resume – Personal Intro,"** providing an opportunity for the newly appointed dignitaries to introduce themselves and connect with the participants beyond their formal positions. The event then moved into a series of engaging entrepreneurial challenges, including **"Memorize and Monetize," "Decode and Dominate,"** and **"Pitch and Prosper,"** encouraging creativity, problem-solving, confidence, teamwork, and entrepreneurial thinking. The programme concluded with the **Big Finale and Prize Distribution, IIC Certificate Distribution, and Official Closing & Group Photograph**, bringing together the new and former dignitaries and marking an enthusiastic beginning to the Entrepreneurship Club's upcoming initiatives.

The new core leadership team then introduced themselves:

- President – Ms. Nihira Panjwani
- Vice President – Mr. Matish Jani
- Associate Vice President – Mr. Rutanshu Bhatt
- Joint Secretary - Ms. Bhumika Ranwani & Mr. Jahan Desai

**Description – Round 1: Memorize & Monetize:**

**"Memorize & Monetize"** was the first interactive round of the event, designed to test participants' memory, concentration, and quick recall. In this round, **50 entrepreneurship-related terms** were displayed for **45 seconds**, giving participants limited time to memorize as many terms as possible. The terms were then removed, and participants were given another **45 seconds to write down the terms they remembered**. The correct responses were counted, and the participant with the highest number of correct terms qualified for the **next round**.

**Description – Round 2: Decode & Dominate**

**"Decode & Dominate"** was a fast-paced team challenge designed to test participants' knowledge, logical thinking, and decision-making skills. Teams were given **60** seconds to identify a mystery entrepreneur **"X"** and their company **"Y"** from a cryptic clue. A correct answer earned **20** points, while passing allowed the next team to attempt a steal for **10** points. At the end of the round, only the top six scoring teams qualified for the next round, with the Quiz Master's decision being final.

**Description – Round 3: Pitch & Prosper**

**"Pitch & Prosper"** was a live pitching challenge that tested participants' creativity, confidence, innovation, and problem-solving abilities. The opportunity to pitch was given on a fastest-finger-first basis, after which participants had **30** seconds to creatively market an unusual everyday product, such as an inkless pen or a three-legged chair, as the next big innovation. The pitches were evaluated based on **innovation, market potential, and problem-solving, encouraging participants to think quickly, pitch smart, and demonstrate an entrepreneurial mindset.**

**Winners:**
**1ST Prize: Venture Forge**
**2nd Prize: Loot Loofers**
**3rd Prize: Nexora**

**Outcome of the Event:-**

1. Welcome and Introduction: Successfully welcomed and introduced the new Entrepreneurship Club leadership team.
2. Knowledge Sharing: Connected the new team with the experiences and insights of the former leadership team.
3. Skill Development: The interactive rounds encouraged creativity, quick thinking, teamwork, problem-solving, communication, and entrepreneurial skills among participants.
4. Awareness and Participation: Created awareness about Eureka and NEC activities and encouraged students to actively participate in future club initiatives.
5. Recognition and Motivation: Winners were recognized through prizes and IIC certificates, motivating participants and creating a positive and enthusiastic beginning for the new Entrepreneurship Club team.
