REPORT ON ONE-DAY WORKSHOP ON "RESIN ART"

Government Arts and Commerce College, Netrang organized a **One-Day Workshop on "Resin Art"** on **3rd August, 2026 at 10:00 AM** under the **"Research, Innovation and Extension" Grant sanctioned by the Knowledge Consortium of Gujarat (KCG)**.

The workshop was conducted by **Ms. Farheen Shaikh, Farheen Arts and Mehndi Classes, Netrang**, as the Resource Person. The main objective of the workshop was to introduce students to the creative field of resin art and provide them with practical knowledge and hands-on experience.

During the workshop, the Resource Person explained the basic materials and tools required for resin art, safety precautions, preparation and mixing of resin and hardener, colour selection, pouring techniques, decorative elements and finishing methods. Students actively participated in the practical session and created artistic resin products under her guidance.

The workshop helped students develop **creativity, artistic skills, practical knowledge nd innovative thinking**. It also introduced them to the possibilities of developing resin art as a **kill-based activity, self-employment opportunity and small-scale entrepreneurial venture**.

The interactive and hands-on nature of the workshop made it an enriching learning perience for the participants. The programme concluded with appreciation to the Resource rson for her valuable guidance and to all participating students for their enthusiastic volvement.

y Outcomes

- Developed practical skills in basic resin art techniques.
- Enhanced creativity and artistic expression among students.
- Created awareness about materials, tools and safety measures.
- Encouraged students to explore skill-based entrepreneurship.
- Provided hands-on exposure to creating decorative resin products.
