Brief Profile of the Expert: Not Applicable

Objective of the Event:

- **Sensitize and motivate students** to participate in SIH 2026 and understand its problem statements and innovation challenges.
- **Encourage innovation and problem-solving** by enabling students to develop technology-driven solutions to real-world problems.
- **Promote multidisciplinary collaboration** by encouraging students from different schools and programmes to work together.
- **Develop prototypes and proof-of-concepts** addressing selected problem statements of their choice theme.
- **Enhance entrepreneurial and technical skills** such as ideation, design thinking, teamwork, project management, coding, prototyping and presentation.
- **Provide mentoring and expert guidance** to help student teams refine their ideas and strengthen their solutions.
- **Evaluate and shortlist promising teams** through an institute-level competitive process for participation in SIH 2026.
- Strengthen the innovation ecosystem at IAR University by connecting students with the SSIP Cell, IIC, faculty mentors and technical experts.
- Promote solution-oriented learning and encourage students to convert innovative ideas into impactful, scalable and sustainable solutions.

Brief Overview of the Event:

The **Internal Hackathon 2026 under Smart India Hackathon (SIH 2026) at IAR University** was organized on 22/08/2026 as an institute-level platform to encourage students to identify real-world problems of their chosen theme and develop innovative, technology-driven solutions. The initiative aligns with the objective of SIH to provide students with an opportunity to solve pressing societal, industry and institutional challenges through creativity, innovation and problem-solving.

The **Internal Hackathon** provided participating student teams with an opportunity to **identify and select relevant, theme-based problem statements, develop innovative solutions and prototypes, receive guidance and mentorship from faculty and experts, and present their solutions before an expert evaluation panel**. The hackathon served as an **institutional-level screening platform** to identify and shortlist promising teams for the subsequent **Smart India Hackathon (SIH) 2026 nomination process**.

At **IAR University**, the initiative also focused on promoting **teamwork, multidisciplinary collaboration, design thinking, technical skills, innovation and entrepreneurial capabilities** among students. The best-performing teams were evaluated based on parameters such as problem understanding, innovation, technical feasibility, impact, scalability, prototype development and presentation, with the aim of identifying strong teams to represent IAR University at the national-level SIH 2026.

There were total 73 teams (438 Students) registered their idea for the event. There were 60 Teams have presented their ideas to jury members.

Jury Members : Dr. Anjali Mishra, Dr. Bhavesh Katariya, Dr. Jyoti Thaikoottathil, Dr.Abishek Shrivastava, Dr.Tvarit Patel, Mr. Milan Trivedi, Dr. Neeru Singh, Dr. Darshana Dalwadi, Ms. Swati Kamra, Mr.Mineshkumar K Prajapati, Ms. Divya Patel, Dr. Neha Rajpara, Dr. Suman Ramapati, Mr.Pragnesh Trivedi, Dr.Maitri Patel,Dr.Koshal Kishor Singh, Dr.Anargha Nambiar, Dr.Pankti Bhatt, Dr. Deepak Kumar, Dr.Zalak Thakkar, Dr. Dhara Patel,

Outcome of the Event:

The Internal Hackathon 2026 at IAR University resulted in the following key outcomes:

- **30 Teams have been qualified for the next round of Smart India Hackathon 2026**
- **Enhanced student awareness and participation** in Smart India Hackathon 2026 and its theme-based problem statements.
- **Encouraged innovation and problem-solving** by providing students with a platform to address real-world challenges through technology-driven solutions.
- **Facilitated multidisciplinary teamwork**, enabling students from different academic backgrounds to collaborate and develop innovative solutions.
- **Development and presentation of innovative ideas, prototypes and proof-of-concepts** addressing selected SIH problem statements.
- **Strengthened students' technical, creative, entrepreneurial and presentation skills** through hands-on participation in the hackathon.
- **Provided mentoring and expert feedback** to help teams improve the feasibility, scalability and impact of their proposed solutions.
- **Identified and shortlisted promising student teams** through an institutional-level evaluation process for consideration in the SIH 2026 nomination process. Internal hackathons are used by institutions as a screening stage for selecting teams for SIH.
- **Strengthened the innovation and entrepreneurship ecosystem at IAR University** by promoting collaboration among students, faculty mentors, the SSIP Cell and IIC.
- **Created a pathway for students to convert innovative ideas into impactful solutions** with potential for further development, incubation and national-level participation.

The Internal Hackathon provided a structured platform for students to **Innovate, Collaborate, Prototype and Present**, while enabling IAR University to identify promising teams for the next stage of the **Smart India Hackathon 2026**

Feedback from Students:

- Students appreciated the **opportunity to participate in a national-level innovation initiative** and understand the SIH 2026 process.
- Participants found the **theme-based problem statements relevant and challenging**, encouraging them to think creatively and develop practical solutions.
- Students appreciated the **guidance and mentoring provided by faculty members and experts** during the development and presentation of their solutions.
- The hackathon helped students improve their **problem-solving, teamwork, technical and presentation skills**.
- Students highlighted that the event provided valuable **hands-on experience in developing prototypes and converting ideas into practical solutions**.
- Participants appreciated the **expert evaluation and constructive feedback**, which helped them identify areas for improvement in their solutions.
- Students felt that the Internal Hackathon provided a **valuable platform to showcase their innovative ideas and technical capabilities**.
- Many participants expressed interest in **further refining their solutions and participating in future hackathons and innovation competitions**.
- Overall, students found the Internal Hackathon to be an **interactive, motivating and enriching learning experience** that enhanced their confidence to participate in SIH 2026 at the national level.

Short report for Social Media:

🚀💡 IDEAS. INNOVATION. IMPACT. 💡🚀

The journey towards Smart India Hackathon (SIH) 2026 is gaining momentum at IAR University! 🇮🇳🔥

As part of the SIH 2026 Internal Evaluation, our talented student teams stepped forward to present their innovative ideas and technology-driven solutions before the Internal Evaluation Committee. 👩‍💼👨‍💼🎯

📊SIH 2026 | Internal Evaluation at a Glance

🔷73 Teams registered for the internal evaluation

🔷438 Students participated

🔷60 Teams presented their ideas before the evaluation committee

From addressing real-world challenges to proposing innovative, impactful solutions, our students showcased their creativity, technical expertise, teamwork, confidence, and problem-solving abilities. 💡⚙️🌟

Every idea presented reflects the spirit of innovation, collaboration, and entrepreneurship that drives the next generation of changemakers. 🚀🌱

🎯Ideas today. Innovations tomorrow. Solutions for a smarter India! 🇮🇳✨

A big shout-out to all the participating teams for their passion, dedication, and innovative spirit. 👏💙

Keep innovating. Keep creating. Keep building for India! 🇮🇳🚀
