4. **Participants**
   Students of **F.Y. B.Sc.** participated in the activity.
   Total Participants: 29

5. **Objective of the Activity**
   To introduce first year students to SSIP 2.0 and the financial assistance and support it gives.

   To motivate students to think of new ideas from the start of their college study and to take them toward a startup.

6. **Brief Description of the Activity**

   The third session of the programme was held for F.Y. B.Sc. students on 23/07/2026. A total of 29 students attended. The resource person, Shri Jayesh Shir, talked about how science students can use what they learn in the classroom and laboratory to make useful things. He explained the steps from an idea to a working model and then to a startup. He also told students about the help given under SSIP 2.0 for making a model and for patent filing. Students showed interest and asked many questions.
