1. **Title of the Activity**
   SSIP 2.0 Sensitization Programme for First Year Students
2. **Date and time**
   23/07/2026, 9:30 AM onwards
3. **Organized By**

   SSIP CELL, Government Arts and Science College, Bavla
4. **Participants**
   Students of **F.Y. B.A.** participated in the activity.
   Total Participants:74
5. **Objective of the Activity**
   To introduce first year students to SSIP 2.0 and the financial assistance and support it gives.

   To motivate students to think of new ideas from the start of their college study and to take them toward a startup.
6. **Brief Description of the Activity**

   On 19/07/2026, the second day of the programme, the SSIP Cell held a session for F.Y. B.A. students. In all, 74 students took part. The resource person, Shri Akash Parmar, gave simple examples of problems from daily life and village life. He showed how a small idea to solve such a problem can grow into a product or a service. He also told students how to apply for SSIP support through the college. Students were asked to note down one idea of their own and discuss it with the SSIP Cell.

7. Resource Person

Shri Akash Parmar

Asst. Prof. (History)

Government Arts and Science college, Bavla

8. Outcomes

Students learned what SSIP 2.0 is and what support it offers.

Students learned how a new idea can be shaped into a startup, and how to approach the SSIP Cell of the college for help.
