1) SECURE 1.0-CALL FOR PROPOSALS FOR IP SUPPORT

Event Date: 17.02.2023

About the event:

Proposals from startups/innovators seeking funding to obtain intellectual property for their innovations were invited under this program. Under this program, selected startups/innovators were eligible to receive financial support from the Gujarat Government's SSIP 2.0 policy for Patents (Domestic & Other Countries), Copyrights, Trademarks, International Registration of Marks, Industrial Design, Plant Variety Registry, Semiconductor Integrated Circuits Layout-Design Registry (SICLDR). Total 4 applications from innovators were received for the Secure 1.0 IP Support Program. All the applications were screened and recommended further to be sent to the institute IPR committee for further processing.
