

## **1) STARTUP DEMO DAY**

**Event Date:** 25.02.2023

### **About the event:**

On February 25th, 2023, ASHINE hosted a Startup Demo Day, where ten early-stage startup founders from different institutes pitched their startup ideas in front of an angel investors panel consisting of Mr. Alpesh Vaghasiya (Founder, UBS), Mr. Jignesh Madhwani (Founder, Torin Wealth) and, Mr. Gaurav Juneja (Founder-Ruchi Twisters). The event was a success, with a diverse range of innovative and exciting startup ideas presented from the students of SVNIT and surrounding institutes like, VNSGU, BRCM and SCET.

The event began with a brief introduction from the host, who welcomed the attendees and explained the format of the demo day. Each founder was given ten minutes to present their startup idea, followed by a Q&A session with the investors. Overall, the Startup Demo Day at ASHINE was a great success. The event showcased a diverse range of innovative and exciting startup ideas, and the founders were able to connect with potential investors and mentors. Apart from startup founders and angel investors, 75 attendees from diverse backgrounds attended the event.
